WUPW Community Outreach Efforts April 1 through June 30, 2017

The Fatherhood Walk spreads the message of how important dads are to not only their children, but also the community to create stronger families and a better future for Toledo. Community resources for families to learn more, along with food, entertainment and games for the kids.

WUPW and WUPW-DT2 ran a combined 79 PSAs between May 26th and June 9th, 2017.

WUPW partnered with St. Jude and Slaske Building Company to build a Dream Home here in Northwest Ohio. The campaign kicked off on Friday, March 10th when we broke ground and wraps up on Thursday, August 10th when the lucky winner of the home is drawn. The real winner are the kids and families that will benefit from the donations to help fund research to treat and defeat childhood cancer.

In second quarter, WUPW and WUPW-DT2 ran a combined 598 spots and dozens of digital posts.
