- Health

This report contains a representative example of the issue-responsive programming aired on the station. For more information about the station's issue-responsive programming, please contact the station directly.

2nd Quarter 2022 News Report

KOKI Local News of Public Interest:

Weather

Strong Winds, Cooler Temperatures Across Green Country

Date: 4/8/22 9pm

Duration: 2:45

James Aydelott

Strong winds are moving across Green Country, bringing cooler temperatures to our area. The breezy weather will continue throughout the weekend, bringing a chance of rain as we move into the rest of April.

Local Environmental Group Delivers Saplings to Green Country

Date: 4/21/22 9pm

Duration: 1:45

Michael Grogan

Up With Trees is delivering saplings native to Oklahoma on the eve of Earth Day. The saplings were grown from seeds by the Oklahoma Forestry Services and are an effort to keep Green Country green. Slower growth trees tend to develop stronger wood, which can withstand Oklahoma's strong winds and severe storms.

FOX23 Weather Team Tracks Severe Storms in Green Country

Date: 4/29/22 5pm

Duration: 5:00

James Aydelott, Michael Grogan

The FOX23 Weather Team, including meteorologists on air and storm chasers on the ground, are tracking a string of severe storms moving across Oklahoma. The coverage includes several tornado warnings and reports of hail and flooding across multiple counties.

Training for Water Rescues in Tulsa

Date: 5/3/22 5am

Duration: 1:10

John Asebes

As the FOX23 Weather Team tracks continued flash flooding events, firefighters with the Tulsa Fire Department are hosting training sessions on water rescues. The rescue team includes 37 officers and 4 K9 officers. Team members are also trained to help in other situations, like searching through storm debris for survivors.

Sections of Tahlequah, Muskogee County Report Serious Flooding, Damage After Storm

Date: 5/6/22 5pm

Duration: 2:00

Julia Gorman

Multiple storms have passed through Green Country, dumping multiple inches of rain in the area. Some communities in Tahlequah have reported damaging flooding as a result. Maybe businesses have been forced to close, while some residents can only reach their homes by boat or canoe. The Illinois River crested at 27.53 feet, the fourth highest in history.

Lunar Eclipse Visible Across Green Country

Date: 5/20/22 9pm

Duration: 1:05

Laura Mock

FOX23 Certified Meteorologist Laura Mock discusses the upcoming lunar eclipse, including its rarity, what time it will be visible in Green Country, and the how several planets will align with the moon and Earth. Jupiter, Mars, Saturn, and Venus will all be visible over the weekend.

Taking Care of the Elderly as Dangerous Heat Arrives

Date: 6/13/22 5pm

Duration: 2:10

Amy Hybels

Dangerously warm temperatures have arrived in Green Country, and an Excessive Heat Warning has been issued for eight counties in Northeast Oklahoma, including Tulsa County. FOX23 spoke with Meals on Wheels volunteers who are traveling to elderly members of the community to make sure they can stay cool in these temperatures.

Tulsa's First Ozone Alert Day of 2022 Issued

Date: 6/22/22 5am

Duration: 2:30

Laura Mock

The Oklahoma Department of Environmental Quality has issued its first Ozone Alert of 2022. This alert means that conditions are favorable for the buildup of the Ozone near the ground, meaning people are more susceptible to dangerous vapors from gas, engine exhaust, and air pollutants. Long-term exposure to these pollutants could lead to health issues.

Excessive Heat Forecasted for July 4th Weekend

Date: 6/30/22 5pm

Duration: 4:30

James Aydelott, Mikayla Smith

A meteorological "heat dome" is keeping dangerously hot temperatures stalled across Green Country. Temperatures will reach the triple digits for the 4th of July weekend, with some areas seeing heat indexes around 110 degrees. FOX23 Chief Meteorologist James Aydelott reports the forecast while Meteorologist Mikayla Smith talks about how to protect yourself in the heat, including the warning signs for heat stroke and heat exhaustion.

Two Tulsa Educators Nationally Recognized

Date: 4/8/22 5pm

Duration: 3:05

Tanya Modersitzki

Two Tulsa teachers have been recognized by the Milken Family Foundation, a national organization that finds and honors the best teachers in the country. Teachers are awarded a cash prize of \$25,000. Tamarah Danzy, an 8th grade science teacher at Council Oak Elementary and Principal Aubrey Flowers of Union's 8th Grade Center were awarded with the honor.

Catoosa Police Arrest Man Trying to Break into Catoosa High School

Date: 4/13/22 5am

Duration: :25

Michelle Linn

Catoosa police have arrested a man who tried to break into Catoosa High School. In addition to the attempted break in, students say they received threatening messages on their smartphones and social media accounts. No one was hurt, and the school was placed on a soft lockdown for most of the day.

Bixby Middle School Student Turns to Music to Teach Kids

Date: 4/27/22 5am

Duration: :40

Ron Terrell

Simon MacFarlane, a math teacher at Bixby Middle School, is using music and comedy to help his students learn. MacFarlane calls himself a "human jukebox" and can turn any song into a mnemonic device. He says he's seen an improvement in his student's grades since turning to music and songs in the classroom.

Owasso High School Launches First Girls' Wrestling Team

Date: 5/3/22 9pm

Duration: 1:40

Dominique O'Neill

Owasso High School has created a girls' wrestling team, the first of its kind. Justin Morsey has been named as head coach. Morsey said he's honored to help create a new opportunity for young athletes, who are excited to learn and compete in the world of wrestling. Morsey is also the assistant coach of the Owasso High School boys' wrestling team.

Oklahoma Governor Signs Bill, Closes Loophole Allowing College Professors, Students to Have Relationships

Date: 5/17/22 6pm

Duration: :45

Shae Rozzi

Oklahoma Governor Kevin Stitt has signed a bill that closes a loophole allowing college professors to have relationships with high school students. House Bill 3258 was created after a Tulsa parent reached out to a lawmaker to put the same standards in place for college professors for high school teachers. The law takes effect in November.

Green Country Parents Share Concerns About School Safety Following Uvalde Shooting

Date: 5/25/22 6pm

Duration: 2:00

Amy Hybels

In the wake of a deadly shooting at a Texas elementary school, parents across Green Country are concerned about safety at schools in our community. FOX23 reached out to several school districts in our area to discuss their protocol involving school shooters and how police respond to the campus.

After-school Program Created to Help Bridge Gaps, Named in Honor of Terence Crutcher

Date: 6/6/22 6pm

Duration: 2:15

Tanya Modersitzki

The Terence Crutcher Foundation has created an after-school program for children in North Tulsa. It's an effort to bridge gaps caused by the pandemic and to close the "school to prison" pipeline. The program includes yoga, therapy, and reading sessions to help them get ahead before the start of the new school year.

Memorial Scholarship Created in Honor of Doctor Killed in Tulsa Mass Shooting

Date: 6/9/22 5am

Duration: 2:20

Alex Cash

A memorial scholarship has been created in honor of Dr. Stephanie Husen, one of the victims killed in June's mass shooting at the Natalie Medical Center in Tulsa. Dr. Husen is an Oklahoma State University graduate, and the scholarship will be offered at the university. Creators of the foundation are hoping to eventually offer \$25,000 a year in scholarships.

New Details Released Involving Indian Boarding Schools, Victims Break Silence

Date: 6/22/22 5pm

Duration: 1:50

Catherine James

Members of the United Indian Nations of Oklahoma, Kansas, and Texas gathered to discuss their experiences at Indian Boarding Schools. The schools were created to force Native Americans to integrate into American culture, forcing them to give up their unique tribal cultures and identities. Native Americans say it is time to share this generational trauma with the rest of the country.

KOKI-TV FOX23 - PSA Spots Aired - 2nd Quarter 2022 - Education

Organization	PSA Title	Subject Matter	Spot Length	Number of Airings
Ad Council / Love Has No Labels	United We Are Powerful	diversity & inclusion: accepting our differences can make us stronger	:30	62

FOX23 Investigates Lack of Street Lights Across Tulsa

Date: 4/4/22 5am

Duration: 2:00

John Asebes

Green Country drivers have reported outages of streetlights across Tulsa, including lights on Interstate 44. The outages create dangerous roads for drivers at night. The City of Tulsa responded to our claims, saying the lights could be out due to a shortage, a burned-out lamp, vandalism, or a pole was knocked down during a crash.

Broken Arrow Creates Advisory Panel to Address Population Boom

Date: 4/12/22 5am

Duration: 2:05

Tanya Modersitzki

The City of Broken Arrow has created an advisory panel to study possible redistricting options for the City Council. Broken Arrow's population grew 15 percent according to the 2020 Census. The panel's findings will present their ideas to the City Council for a vote. That vote is expected to take place later this year.

Oklahoma Lawmakers Pass Major Financial Incentive for Companies, Aims to Impact Green Country

Date: 4/19/22 9pm

Duration: 3:00

Rick Maranon

The Oklahoma House of Representatives has passed a massive financial incentive package that would attract out-of-state businesses. House Bill 4455, also known as "The Lead Act," offers tax incentives to build factories and facilities in Oklahoma. The incentives, with a price tag of \$698 million dollars, is expected to pass through the Oklahoma Senate.

Google Announces Multi-Million Dollar Investment in Pryor

Date: 5/4/22 6pm

Duration: 3:10

Rick Maranon

Google has announced plans for a multi-million-dollar investment at its data center in Pryor. The \$75 million dollar investment will bring more jobs to the facility, which is Google's second largest data center in the world. The facility, at Pryor's Mid-America Industrial Park, will allow continued growth in Mayes County.

Oklahoma's Grocery Sales Tax Hangs in the Balance

Date: 5/12/22 5am

Duration: 2:40

Rick Maranon

Earlier this year, Oklahoma Governor Kevin Stitt proposed cutting the grocery tax to help Oklahomans battle inflation. Members of the House of Representatives voted to repeal the tax, but the Senate did not. If the tax is repealed, Oklahomans would still pay grocery taxes to local municipalities.

OG&E Customers Ask Company to Reject Proposed Rate Hike

Date: 5/24/22 5am

Duration: :25

Ron Terrell

AARP of Oklahoma will deliver thousands of postcards from OG&E customers to Oklahoma Corporation Commissioners, asking them to reject a \$164 million dollar rate hike. Commissioners granted the hike in December, citing a need to raise the hike due to last year's winter storm.

Construction Begins on Highway 169 Project in Owasso

Date: 6/6/22 6pm

Duration: 2:40

Amy Hybels

Construction crews have begun work on a project that will repair Owasso's 76th Street Bridge and widen the lanes of Highway 169. The multi-million-dollar project is expected to take several years to complete, creating traffic headaches for drivers commuting into Tulsa. The City of Owasso is adding \$400,000 to the funds contributed by the Oklahoma Department of Transportation.

City of Tulsa Hosts Amnesty Program

Date: 6/14/22 5am

Duration: :30

Ron Terrell

The City of Tulsa will let you pay off your unpaid traffic tickets without having to pay any late fees or warrants. The City's Moving Violation Amnesty Program applies to speeding tickets or any ticket you received while your car was in motion.

Okmulgee County Town Deals with Dirty Water, Flooding

Date: 6/29/22 6pm

Duration: 2:20

Tanya Modersitzki

Residents of Preston, Oklahoma is dealing with dirty water after May's damaging floods. People accuse the county of avoiding making repairs on public plumbing, causing sewage to mix with drinking water. Following FOX23's involvement, the County Commissioner agreed to make the repairs.

Jury Selection Begins for Man Accused of Shooting, Killing Tulsa Police Officer

Date: 4/4/22 5am

Duration: 1:55

Amanda Gilbert

Jury selection has begun for David Ware, the man accused of shooting two Tulsa police officers in June 2020, killing one of them. Tulsa County District Attorney Steve Kunzweiler is aiming for the death penalty in Ware's case. Sergeant Craig Johnson died from his injuries; Officer Aurash Zarkeshan survived.

Bartlesville Man Arrested, Accused of Stabbing Three Family Members

Date: 4/7/22 5pm

Duration: 2:00

Spencer Humphrey

A Bartlesville man has been arrested, accused of stabbing three family members. The suspect's mother did not survive her injuries, but his sister and uncle recovered. Police said Dustin Blackfeet did not explain why he attacked his family. Agents with the Oklahoma Bureau of Investigation and federal agents are handling the case because the suspect and victims are tribal.

Woman Shot, Killed While Trying to Calm Armed Man in Tulsa

Date: 4/12/22 5pm

Duration: 1:50

Scott Martin

An investigation is underway after Tulsa police shot and killed a man at an apartment complex. Witnesses say the man was firing an assault rifle when a woman walked up and tried to calm him down. The man shot and killed the woman before police arrived. Police are asking for more witnesses to come forward with any possible information or video footage.

Tulsa Police Search for Violent Sexual Assault Suspect

Date: 5/6/22 6pm

Duration: :45

Sara Whaley

Tulsa police officers continue to search for a man wanted in connection to a violent sexual assault. Investigators say the victim, a woman in her 70s, was attacked near the intersection of 51st and Memorial. The suspect has been identified as Elga Harper, and members of the community are searching for him.

Man Dies from His Injuries 16 Years Later, Police Investigate as Homicide

Date: 5/17/22 5am

Duration: 1:15

Amanda Gilbert

Tulsa police are searching for a homicide suspect 16 years after the crime. The victim, James McClaine, was shot in 2006. However, he didn't die until 2022. Investigators say McClaine died from his injuries involved in that shooting, and they are investigating McClaine's death as a homicide. Investigators have renewed the case to track a suspect.

Man Nearly Runs Over Tulsa Police Officer, Suspect in Custody

Date: 5/26/22 6pm

Duration: :30

Shae Rozzi

Tulsa police shot and arrested a man after they say he sped towards and nearly ran over an officer. Investigators say Merle Poffenberger was arguing with a family member with police arrived. They say Poffenberger saw officers and lost his temper, then got in his car and tried to run over an officer. Poffenberger was shot in the arm but survived.

Four People Killed During Mass Shooting at the Natalie Medical Building

Date: 6/1/22 6pm

Duration: 3:10

Abigail Dye

Four people were killed when a gunman walked into a doctor's office at Tulsa's Natalie Medical Building and opened fire. The gunman recently had surgery performed by Dr. Preston Phillips and claimed to be in pain and angry. Dr. Phillips, Dr. Stephanie Husen, receptionist Amanda Glen, and patient William Love were killed.

Police Search for a Suspect After a Police Chase Enters the Tulsa Area

Date: 6/9/22 6pm

Duration: :20

Shae Rozzi

A missing baby taken from a couple murdered in Texas 40 years ago has been identified in Oklahoma. Genetic genealogy discovered the connection, and 42-year-old "Baby Holly" was found to be alive and well in central Oklahoma. Holly has been in contact with extended family.

Witness Describes Carjacking, Fatal Shooting Outside of Tulsa QT

Date: 6/28/22 5am

Duration: 2:05

Abigail Dye

A woman who witnessed a carjacking turned fatal shooting is sharing her experience with FOX23 News. Investigators say the carjacking suspect approached the man with a gun. The pair struggled, and the would-be victim grabbed his gun and fired, killing the carjacking suspect. The incident happened at a QT, and police are reviewing the surveillance footage.

Coronavirus Patients Turn to Physical Therapy to Help with Recovery

Date: 4/4/22 5am

Duration: 1:45

Scott Martin

Doctors across Green Country are reporting a new trend for coronavirus patients who are trying to recover from the virus. Some patients are utilizing physical therapy to recover from the long-term impacts of the coronavirus. Doctors are referring to the process as “deconditioning,” which rebuilds muscle strength after lying stationary for months at a time.

New Psychotherapy Clinic Offers Help with Eating Disorders in Children

Date: 4/8/22 5pm

Duration: 2:35

Dominique O’Neill

A new psychotherapy clinic in Tulsa will combat a disturbing trend rising across the country, eating disorders in children. The CDC reports that eating disorders have jumped since the onset of the pandemic. Tulsa’s new clinic offers counseling several times a week, offering more assistance to tackle the disorder. The new clinic will eliminate the longer wait some people face when finding a therapist or treatment center.

Claremore Police Department, Drug Experts Host Town Hall About Opioid Epidemic

Date: 4/19/22 9pm

Duration: 3:05

John Asebes

Officers with the Claremore Police Department gathered experts to discuss the rising concerns of fentanyl use and the opioid crisis in Rogers County. The Town Hall brought together police officers and members of the community to discuss the drug, the warning signs people need to watch for, and how to get help if you suspect a loved one is battling an opioid/fentanyl addiction.

Oklahoma’s Maternal Mortality Rate Under Scrutiny

Date: 5/4/22 5pm

Duration: 5:30

Michelle Linn

In Oklahoma, nearly one woman a month dies of pregnancy or childbirth complications. The state’s maternal mortality rate is rising, despite birth and fertility rates dropping. In response, the state is providing ongoing education for doctors and nurses, and has several online resources.

OU Health Partners with National Institutes of Health to Study Long-Term COVID-19 Effects

Date: 5/12/22 5am

Duration: :40

Michelle Linn

OU Health Center has partnered with the National Institutes of Health to understand and study the long-term effects of COVID-19 in children. The study will follow newborns through adults aged 25, for a four-year period. The process includes blood draws, saliva testing, and surveys. Participants must have previously had COVID-19, and they will be compensated.

Reports of Strokes in Younger Patients Rising in Green Country

Date: 5/25/22 6pm

Duration: 2:05

Dominique O'Neill

Dr. Andre Fredieu is a stroke specialist at Hillcrest Medical Center, and he is reporting a rise in stroke victims under the age of 50. Strokes can be triggered by underlying health issues or drug use. Symptoms include chest pain, shortness of breath, weakness or paralysis of the arms, legs, or face.

Woman Writes Children's Book, Offers Insight to Talking to Children About Stillbirths

Date: 6/8/22 5am

Duration: 2:55

Michelle Linn

A Tulsa mother has written a children's book to help explain infant loss, specifically when a family has a baby through a surrogate. Kristen McQuaid can't have children on her own and has hired a surrogate for both of her children. After the loss of her daughter, Kristen launched a non-profit called London is the Reason, in addition to writing the book. The book was an outlet for Kristen's grief.

Senate Committee Launches Hearing in Response to the COVID-19 Pandemic

Date: 6/16/22 5pm

Duration: :55

Sara Whaley

A Senate Committee has launched an investigation into how the federal government handled the COVID-19 pandemic. CDC Director Dr. Fauci spoke about the efforts of the CDC and how the organization has worked to stop the spread of the virus. The committee is seeking additional government funding to support the work they are doing to identify and act against new variations.

FDA Approves COVID-19 Vaccination for Toddlers, Infants

Date: 6/21/22 5am

Duration: :20

Michelle Linn, Ron Terrell

The Food and Drug Administration has given approval for the Pfizer COVID-19 vaccine to be administered to children six months to five years old. Pharmacies and health care centers are now able to offer the dosage, which is half the dosage administered to adults.
