ISSUES / PROGRAMS LIST MAY 2014 PLACED IN PUBLIC FILE 07-10-2014

Issue(s)	Host	Program	Date Aired	Duration	Description
Major Businesses Closing, Cliven Bundy, Gender Identity	Jeff Baxter and Mike Fagan	The Right Spokane Perspective	05/05/14	28 Minutes	Hosts Mike Fagan and Jeff Baxter divided the program discussing gender identity disorder in children and adults, the Cliven Bundy versus the Bureau Of Land Management standoff and sixteen major retail chains that have closed, or will shortly be closing their stores.
Parents Rights, Contraception	Martin Howser	The Forum	05/11/14	28 Minutes	Program host Martin Howser spent the bulk of the half hour discussing parental rights and the differences between rights for biological parents, non-biological parents and what happens after a parent transfers custody of a child to another person. Martin wrapped up the show with a short discussion of contraception.
TPP, NAFTA	Jeff Baxter and Mike Fagan	The Right Spokane Perspective	05/12/14	28 Minutes	Hosts Mike Fagan and Jeff Baxter welcomed guest Art Thompson and the trio discussed the Trans Pacific Partnership, a regional free trade agreement that is currently being negotiated by the United States and 11 other countries throughout the Asia-Pacific region. Passage of the TPP is one of the primary goals of the Obama administration's trade agenda, with the promise of enhancing trade and investment among the TPP partner countries promoting innovation, economic growth and development, and support in the creation and retention of jobs.
Government Waste	Leonard Christian	Keeping It Real	05/12/14	28 Minutes	Program host Leonard Christian welcomed his guest Washington State Representative candidate Josh Arritola, and together the duo spent the half hour discussing various instances of government waste.

Teen Drinking, Alcohol Abuse Abatement	Ozzie Knezovich	The Sheriff's Report	05/24/14	28 Minutes	Host Sheriff Ozzie Knezovich welcomed his guest Kelly Crue of the West Central Community Coalition. The organizations mission is to promote community health and wellness through the reduction of underage drinking and illicit drug use and abuse. The pair discussed the unique problems facing communities in Spokane County, as well as state wide, and explored possible future complications with respect to the recent legalization of marijuana.
