CAMPAIGN	TITLE	DESCRIPTION	LENGTH	# OF AIRINGS
Adoption From Foster Care	Suitcase	Thousands of teens in foster care are waiting for the love and support from a family, but unfortunately almost 20,000 young people leave foster care without a family every year. Inspired by real families' stories, this honest and heartfelt campaign reveals the remarkable value there is in adoption for both teens and parents. Since the campaign's launch 15 years ago, more than 30,000 children once listed on AdoptUSKids.org have been placed with permanent families.	:30	60
American Cancer Society	The Conversation	The American Cancer Society is a nationwide, community-based voluntary health organization dedicated to eliminating cancer as a major health problem. The American Cancer Society's mission is to save lives, celebrate lives and lead the fight for a world without cancer, including cancers caused by HPV or Human Papillomavirus.	:30	40
American Nurses Association	American Nurse Heroes	The American Nurses Association (ANA) is the premier organization representing the interests of the nation's 4 million registered nurses. ANA is at the forefront of improving the quality of health care for all. Founded in 1896, and with members in all 50 states and U.S. territories, ANA is the strongest voice for the profession.	:30	55
Autism Awareness	Julia-Revised	Though autism can be reliably diagnosed in children as young as 18 months, most aren't diagnosed until they're between four and five—and studies indicate that age is even higher for low-income and minority children. Research shows that early diagnosis and early intervention is crucial; it can translate to a lifetime of impact by supporting healthy development, improved communication, and overall positive outcomes later in life.	:15	45
Best Friends Animal Society	Save Them All	Goofy grins and soothing purrs ... ridiculous ears and reassuring paws. They motivate us to get moving and remind us when to slow down. They provide us with a much-needed laugh, companionship and unconditional love. They are our best friends. Share this special reminder of what's important in life and help Best Friends spread the word about adopting your next pet. Together, we can Save Them All®.	:15	40

Child Mind Institute	A Voice for Children	There are more than 17 million young people struggling with mental health disorders in the United States. Discovering Nature	Forest Trail	Studies show that when kids spend time outdoors, they become healthier, have lower stress levels and develop stronger immune systems. They also become more creative, and have greater respect for themselves, other people, and the environment. Our campaign encourages parents and caregivers to reconnect with their family and nature by experiencing it firsthand. Through exploration of local forests and parks, kids can build a lifelong connection to nature.	:60	55
Empowering Girls in STEM	Unstoppable STEM	While women make up half of the U.S. college-educated workforce, they hold only a little over a fourth of all STEM jobs. Research shows that young girls like STEM subjects—science, technology, engineering and math—but often feel that STEM isn't for them due to outdated stereotypes. Girls are scared to fail in STEM, but She Can STEM shows girls that STEM is in everything, and experimenting is part of the journey.	:30	50
Ending Hunger	Teacher	These are uncertain times for everyone, but for households facing hunger, the coronavirus fallout—including school closures and job disruptions—can present an even greater threat. Middle School Mental Health	Sound It Out	There is a mental health crisis among our country's youth. Young adolescents (10-14) are experiencing increased rates of mental health challenges. Sound It Out uses the power of music to help parents and caregivers have meaningful conversations with their middle schoolers about emotional wellbeing. St. Jude's Children's Research Hospital	Making a Difference	At St. Jude Children's Research Hospital, our mission is clear: Finding cures. Saving children. Because most of our funding comes from individual supporters, families never receive a bill from St. Jude for treatment, travel, housing or food—because all a family should worry about is helping their child live. St. Jude won't stop until no child dies from cancer.	:30	45
