RE: Public Inspection File Meeting,

Dear Mary Lee,

During our meeting on April 7, 2022, we completed the 2nd Quarter of 2022 (April – May – June) Issue list and program material and we will place that material in our Public File on or before July 11th, 2022 which is the mandatory due date for this material.

We discussed a list of issues and program material that we should plan, for the 2nd Quarter of 2022 (April – May – June).

Additionally, we have contacted some community leaders and questioned their response as to what issues may be a concern to Randolph, Salt Lake City, Provo, and Ogden, the cities of license for KDUT- F.M., so that we will be prepared for our first commitment to serve our community.

While we submit this issue list for the Second Quarter of 2022, we reserve the right to change, add or modify the program based on untimely events that may happen.

Also in attendance at this meeting were:

Joanna Alvarado, Promotions Director / On-Air

Manuel Hernandez, Producer

Nelson Moran, Operations Director

Based upon ascertainties expressed during informal dialogue with community leaders and members of the public and our analysis of the issues raised and debated by our News Director and other broadcasters, as well as our familiarity with the community and the programming listed represents KDUT's most significant treatment as regards to these issues. The list is not in order of importance or date, just a cumulative list of issues.

The enclosed list of issues that KDUT – F.M. will direct in the Second Quarter of 2022 is:

1. Ogden, Salt Lake City, Provo, Traffic, Flooding & Weather
2. Immigration
3. Health
