RE: Public Inspection File Meeting,

Dear Mary Lee,

During our meeting on January 5th, 2023 we completed the 1st Quarter of 2023 (Jan – Feb – Mar) Issue list and program material and we will be placing that material in our Public File on or before April 10th, 2023 which is the mandatory due date for this material.

We discussed a list of issues and program material that we should plan for the 1st Quarter of 2023 (Jan – Feb – Mar).

Additionally, we have contacted some community leaders and questioned their response as to what issues may be a concern to Randolph, Salt Lake City, Provo, and Ogden, the cities of license for KDUT- F.M., so that we will be prepared for our first commitment to serve our community.

While we submit this issue list for the First Quarter of 2023, we reserve the right to change, add or modify the program based on untimely events that may happen.

Also in attendance at this meeting were:

Joanna Alvarado, Community Programs and Promotions

Manuel Hernandez, Radio Producer

Nelson Moran, Operations Manager

Based upon ascertainties expressed during informal dialogue with community leaders and members of the public and our analysis of the issues raised and debated by our News Director and other broadcasters, as well as our familiarity with the community and the programming listed represents KDUT's most significant treatment as regards to these issues. The list is not in order of importance or date, just a cumulative list of issues.

The enclosed list of issues that KDUT – F.M. will direct in the First Quarter of 2023 is:

1. Randolph, Ogden, Salt Lake City, Provo, Traffic & Weather
2. Immigration
3. Health
4. Education
