RE: Public Inspection File Meeting,

Dear Mary Lee,

During our meeting on July 5<sup>th</sup> 2021 we have completed the 3<sup>rd</sup> Quarter of 2021 (July – August – September) Issue list and program material and we will be placing that material in our Public File on or before October 12<sup>th</sup> 2021 which is the mandatory due date for this material.

We discussed a list of issues and program material that we should plan for, for the 3<sup>rd</sup> quarter of 2021 (July – August – September).

Additionally, we have contacted some community leaders and questioned their response as to what issues may be a concern to Randolph, Salt Lake City, Provo and Ogden, the cities of license for KDUT- F.M., so that we will be prepared for our first commitment to serve our community.

While we submit this issue list for the Third quarter of 2021, we reserve the right to change, add or modify the program based on un-timely events that may happen.

Also in attendance at this meeting were:

Joanna Alvarado, News Producer

David Sigala, Radio Producer

Nelson Moran, Operations Manager

Based upon ascertainties expressed during informal dialogue with community leaders and members of the public and our analysis of the issues raised and debated by our News Director and other broadcasters, as well as our familiarity with the community and the programming listed represents KDUT's most significant treatment as regards to these issues. The list is not in order of importance or date, just a cumulative list of issues.

The enclosed list of issues that KDUT – F.M. will direct in the Third Quarter of 2021 is:

1. Ogden, Salt Lake City, Provo, Traffic & Weather
2. Immigration
3. Health
