RE: Public Inspection File Meeting,

Dear Mary Lee,

During our meeting on October 6th, 2022 we completed the 4th. Quarter of 2022 (Oct – Nov – Dec) Issue list and program material and we will place that material in our Public File on or before January 10th. 2023 which is the mandatory due date for this material.

We discussed issues and program material that we should plan for the 4th. Quarter of 2022 (Oct – Nov – Dec).

Additionally, we have contacted some community leaders and questioned their response as to what issues may concern Randolph, Salt Lake City, Provo, and Ogden, the cities of license for KDUT- F.M., so that we will be prepared for our first commitment to serve our community.

While we submit this issue list for the Fourth Quarter of 2022, we reserve the right to change, add or modify the program based on untimely events that may happen.

Also in attendance at this meeting were:

Joanna Alvarado, News Director

Manuel Hernandez, Radio Producer

Nelson Moran, Operations Manager

Based upon ascertainment expressed during informal dialogue with community leaders and members of the public and our analysis of the issues raised and debated by our News Director and other broadcasters, as well as our familiarity with the community and the programming listed represents KDUT's most effective treatment as regards to these issues. The list is not in order of importance or date, just a cumulative list of issues.
