Dear Bob,

Each day since our taping I've wanted to personally say "Thank you!" It does not seem possible that it has been a full week since then and I haven't done so.

We do thank you for letting us be your Sunday spotlight and guiding/leading our session so well. I thought that during the taping and I thought so again when my Bob and I listened to the program as we were getting ready for church, having breakfast.

In regard to "my" Bob, perhaps you could spotlight him for the work he is trying to accomplish as District 14 U Lions Governor, starting a new club in the Marshalls Creek area.

As I shared with you, WUPO is my companion as I drive to work and go to my various classes.

This morning it's off to Pocono Summit with a really sweet couple. This afternoon - an in-office day to do an agent's report to our Extension Board.

Thanks & blessings,  
Adelle
