Dear Bob,

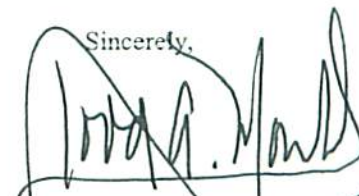

On behalf of the Monroe County Sheriff's Office, I would like to express our appreciation and gratitude for your help and donation for our Annual Blood Drive.

I am happy to say that the drive was a great success. Our goal, as set by The American Red Cross, was to reach 105 pints collected. The American Red Cross collected a total of 123 pints. There were a total of 134 presenting donors. Of these, 16 were true first time donors. There were 11 deferred donors.

Part of this success is to be credited to you and your staff for your thoughtfulness and generosity.

It is this kind of support that benefits the people of this County and helps to promote the true image of professionalism and community involvement that we strive for each day.

Sincerely,

Todd A. Martin
Sheriff
