Dear Friends:

Thank you so much for your very generous donation of blankets and bedding to The Salvation Army. We appreciate your thoughtfulness in donating to us. We used these in the shelter as well as distributing them to our food pantry clients.

As you are probably aware, there is an abundance of those in need throughout our community. Those in need of emergency shelter, those in need of food, of medications, of clothing ... of hope. Yes, there are always those who are in need but thank God, there are also those who help – generous people like you – caring people who give hope for a better tomorrow.

I'd like to share with you that in January we served 225 families with 1,443 bags of groceries, 37 families were helped with electric bills, 3,443 meals were provided in our Feeding Program and 834 nights of lodging was given to 42 clients. Last week we celebrated our 8<sup>th</sup> Annual Volunteer Dinner with 156 in attendance. What a blessing to live in a community that truly cares and goes the extra mile to help those in need.

Thank you again for your generosity and support. May God bless you!

In His Service,

  
James Gingrich
