Re: Retransmission Consent Election Notice on Behalf of: KAAL-TV, KOB-TV,

WHEC-TV, WIRT-DT, WNYA-TV, and WNYT-TV

Dear Sir or Madam:

As you are probably aware, the FCC's Rules (Sections 76.64) require each television station again this year to advise all cable systems in the station's local television market whether the station elects must-carry status or elects to proceed under the retransmission consent provisions of Section 325(b) of the Communications Act.

This letter is to advise you that Hubbard Broadcasting, Inc., on behalf of the above-referenced television stations, elects to require you to obtain retransmission consent prior to the next 3-year election cycle commencing January 1, 2018, for the broadcast of the above-stations' signals on your cable system(s).

Enclosed for your review are two copies of our standard retransmission consent agreement. If the agreement is acceptable, please sign both copies and return them to me for countersignature. I would ask that you complete Exhibit B identifying your cable headends and the communities served by the same, as well as the channel locations on which the signals will be carried.

If you have any questions, please do not hesitate to contact legal assistant Kris Shuldes at (651) 642-4336 or kshuldes@hbi.com, or the undersigned at (651) 642-4333. I look forward to receiving signed agreements from you.

Very truly yours,

David A. Jones
