Greetings in name of our Lord and Savior Jesus Christ,

Throughout the years Teacher Patricia Lofton has served many people. She has worked with various churches, organizations, and communities. We would like to take this time to show her how appreciated she is, especially during her sickness and time of need. After suffering numerous life threatening illnesses, Teacher Lofton is still holding on trying to serve God. It is with great honor that we would like to show our love for a woman of God who has served many. Various pastors and church members would like to cordially invite you to come and celebrate with us during a benefit program that will be held for First Lady Lofton. This event will be held on Friday night, May 11th at the Freewill Pentecostal Church of God, Mobile. Service will begin at 7:30p.m. The anointed speaker will be none other than Bishop Maurice Williams. We are asking that you please come out and help us celebrate this woman of God during her time of need. If you would like to play a special part in this program, please contact Teacher April McKeller at aemckeller@gmail.com. We are looking forward to seeing you there. Our program is committed to recovery and to community safety through restoration and applying biblical principles within a group setting. We offer informative and valuable counseling designed to prevent incarceration. These sessions are presented by ministers, ex-offenders, and members of the law enforcement agency in partnership with Jesus is Lord of All and Walls of Salvation Ministries.

We understand that our community is in crisis mode as it relates to incarceration and habitual drug use. The torch represents that everyone must be responsible for addressing our crisis which affects our community in many ways. Our goal is to minister to the whole person!

Classes are held Tuesdays at Walls of Salvation Ministries from 6:00 PM to 8:00 PM. Registration is required 24 hours prior to class enrollment. There is no fee required to attend and we welcome family members. We also do referrals. Sobriety is important!

Just Like A Tree*

SCRIPTURE:

Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful. But his delight is in the law of the Lord; and in his law doth he meditate day and night. And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper.

MCHD to mark National HIV Testing Day with event

MOBILE, Alabama — Testing is the only way to know for sure if someone has Human Immunodeficiency Virus (HIV). It weakens a person’s immune system by destroying important cells that fight disease and infection. No effective cure exists for HIV.

According to the Centers for Disease Control and Prevention (CDC), one in six of the estimated 1.2 million people living in the United States with HIV are unaware of their status. That means they are not getting the medical care they need to stay healthy and to avoid passing HIV to others.

Wednesday, June 27, is designated as National HIV Testing Day to encourage people to learn their HIV status. The 2018 theme is “Doing It My Way, Testing for HIV.”

The CDC recommends that everyone between the ages of 13 and 64 get tested for HIV at least once as part of routine health care. People with certain risk factors should get tested more often.

In the lead up to National HIV Testing Day, the Mobile County Health Department is teaming with Walgreens and Greater Than AIDS — a leading national public information response to the domestic HIV/AIDS epidemic — to encourage community members to know their HIV status and take advantage of free HIV testing and counseling about new prevention strategies, including Pre-Exposure Prophylaxis (PrEP), a daily pill that reduces the risk of HIV transmission. A major partner with MCHD for this project will include AIDS Alabama South.

Testing will be at the Walgreens store at 2050 Government Street in Mobile on Wednesday, June 27, from 10 a.m. to 7 p.m.

“It is our fifth year to participate in this annual National HIV Testing Day Event with Walgreen’s and Greater Than AIDS,” said Diane Glass, R.N., the HIV Mobile District Manager. “We will be providing free HIV testing using the Ora-Quick Rapid Anti-body oral mouth swab test. They will receive the results in 20 minutes.”

National HIV Testing Day is a reminder to get the facts, get tested and get involved to take care of yourself and your partners. In addition to the estimated 1.2 million people in the United States now living with HIV, that number grows by almost 50,000 every year.
