This employment unit offers cross training in production and on-air positions to part-time employees who demonstrate outstanding work qualities and aptitude to learn, enabling them to qualify for higher level positions within the company. This year, one part-time employee working in the Master Control Department demonstrated such abilities and was assigned additional duties in Production.

This employment unit maintains an internship program in conjunction with the local public school system. No students entered the internship program during this period.

The St. Mary Public School System requires a special project of its high school seniors, in which the seniors learn about and perform tasks in their anticipated career choice. During this period, this unit assisted one senior by mentoring and supervising her through the tasks of creating a television production.
