

CLASS A CONTINUING ELIGIBILITY CERTIFICATION
WDVB-CD, EDISON, NJ
QUARTER ENDING 30 SEPTEMBER 2013

As the FCC's records will reflect, LocusPoint WDVb Licensee, LLC ("LocusPoint"), pursuant to the Commission's authorization, became the licensee of Digital Class A Television Station WDVb-CD, (Facility ID 168834) on 19 August 2013. This certification for the period 1 Jul 2013 – 30 Sep 2013 reflects information provided by the prior licensee concerning the programming it aired before the transaction closed, as well as information concerning the programming selected and aired by LocusPoint after that date. During this quarter, WDVb-CD adhered to the following:

1. Minimum Operating Schedule: WDVb-CD broadcast a minimum of 18 hours per day.
2. Local Programming: WDVb-CD broadcast a minimum of 3 hours each week of programming that was produced within the market area served by the station.
