Date: 3/1/21

Text of Public Notice Announcement

On January 29, 2021, the University of Kansas, licensee of KANU, 91.5 MHz, Lawrence, KANH, 89.7 MHz, Emporia, KANQ, 90.3 MHz, Chanute, and KANV, 91.3 MHz, Olsburg, Kansas, filed applications with the Federal Communications Commission for renewal of their broadcast license. Members of the public wishing to view these applications or obtain information about how to file comments and petitions on the applications can visit publicfiles.fcc.gov, and search in KANU's, KANH's, KANQ's, and KANV's public files.
