

KCAC Radio is owned and operated by Southern Arkansas University Tech, a two-year public, state-funded, college in located in Camden, Arkansas. The KCAC Station has a power output of 10,000 watts via a directional broadcasting signal. The station's music format includes a variety of genres from the 70's, 80's, and a mix of rhythm and blues. The station is dedicated to the promotion of higher education as it relates to the College and its programs. The station now includes issues programming once a week through the hosting of a Facebook Live 30 minute show (Rocket Launcher Live) while simultaneously broadcasting on the station to listeners. The show is broadcast every Wednesday at noon and provides a platform for an interview style show where guests talk about College programs, events, degree offerings, community events, and more.
