I should have waited to send my last email out once I was finished adding the volunteer schedule online, so I apologize for blowing up your email. Here is the link to signup.com where anyone can look at the schedule of volunteers for the event. Please share with friends and let's get the word out that we are looking for volunteers! The more the merrier!

Advisory: HWY 101 Closed in Both Directions

Dear KBGE,

U.S. HWY 101 is closed in both directions about four miles south of Cannon Beach (near Hug Point) because of a landslide. Travelers should avoid the area, use an alternative route and expect delays. An update will be posted as information becomes available.

Traffic Advisory

Thank you for helping us spread the word about our events. Would you once again please help us get the word out about the 4th speaker in our Listening to the Land series? Attached is a press release and photos for Melissa Keyser's presentation on "Life in the Intertidal Zone" at the Seaside Public Library at 6pm on Wednesday, April 18th.

We'd greatly appreciate your help in distributing this info as best and quickly as you can.
