

**Issues and Programs List for KJPW Radio
Waynesville, Missouri
Period: October-December 2013**

This list actually covers only a small portion of the issues dealt with by our station during the three-month period, October-December 2013. Issues are determined through our ongoing dialog with community leaders and local citizens. The staff at KJPW Radio attend local, government, and school public meetings. The station and station members are members of many community-wide events. Those who determine issues and ensuing programs to address those issues include, but are not limited to, General Manager Mike Edwards, Operations Manager Gary Knehans, News Director Warren Goforth, and staff members Jim Brown, Daniel Boucher, Michelle Gallegor, Eric Duncan, Skip Goforth, and Marv Lutten.
