

WTNG-CD Community Issues 4th Quarter 2023

Community issues are addressed on the air Monday through Friday on virtual channel 7.1(actual RF CHANNEL 33.1). The time is standardized at 8:00 pm until 10:00 pm. An open toll-free telephone line is provided to the public for discussion of local issues. There is no specific format for discussion, only local community needs. There is no time limit on discussion of an issue and is open for comments from the community.
