This is to certify that the list set forth below identifies all programs and series aired by Three Angels Broadcasting Network, Inc. during the above-referenced calendar quarter that was originally produced and broadcast primarily for an audience of children 12 years old and under. As a standard practice, we formatted and aired each of the children's programs and series identified below so that the total commercial time (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) did not exceed 10.5 minutes per hour on weekends and 12 minutes per hour on weekdays, in compliance with the Children's Television Act of 1990 and the rules and regulations of the Federal Communications Commission (the "FCC"), the "Regulations").

None of the following programs or series included any commercial spots (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) that contained references to, characters or actors from or that offered products related to, the underlying program or series. Any instances in which the children's programming commercial limits were exceeded during the referenced calendar quarter are explained in detail below. I further certify that I have been designated by Three Angels Broadcasting Network, Inc. as the official responsible for oversight of compliance with the FCC children's programming commercial limits and I am familiar with the regulations.

To whom it is concerned:

This letter is in response to your request regarding Newsmax TV and requirements for Closed Captioning, Children's Television Act, and "CALM" act.

Newsmax Broadcasting currently meets requirements set by the FCC requirement of Closed Captioning (See 47 C.F.R. § 79.1). Newsmax TV uses a service by EEG called Lexi, which is a cloud based system that translates the speech to text, then sends it to an EEG encoder model HD 490, which embeds the captioning into our broadcast stream that is then distributed to our linear and digital partners.

Additionally, Newsmax Broadcasting is not an over-the-air broadcaster so the Children's TV Act does not apply.

Included is a letter regarding Newsmax TV CALM compliance.

Should you have any questions or need further assistance please feel free to contact me directly.

Re: Certificates of Compliance for the Children's Television Act of 1990

Dear Affiliate:

As of January 1, 1992, the Federal Communications Commission's rules ("FCC Rules") implementing the Children's Television Act of 1990 ("Act") require cable operators to maintain certain records regarding their compliance with advertising limits imposed on children's television programming. Accordingly, Turner Network Sales, Inc. provides the attached Turner Entertainment Networks' certificates of compliance for 4th Quarter 2019. Please note that the Act's advertising limits are inapplicable to CNN, Headline News, Turner Classic Movies, TruTV, CNNI, and CNNE as these networks do not carry children's programming. If there are any changes in the programming policies of these networks, we will provide you with updated certifications reflecting such changes.

To comply with the FCC Rules, please place the attached certificates of compliance in your system's public file(s) no later than the tenth day of the current quarter following the quarter in which the programming aired.

For your convenience, the certificates of compliance are also available online for your review. Please follow these steps in order to download the certificates:

- 1. Go to the Turner Resources web site at www.TurnerResources.com. [Note – if you do not have a user ID and password, you will need to register online with the web site.]**
- 2. From the homepage go to "Technical" and scroll down to "Compliance Notices." You can download the Q4 – 2019 certificates by clicking on Kid Vid Certificates and following the prompts.**

If you have any questions, please contact me at (404) 575-9724 or e-mail barbara.debuys@turner.com. Thank you for your continued carriage of the Turner networks.

Kindest regards,

SENT VIA EMAIL

Re: Certification of Compliance, Q4 2019

Dear Partner,

This Letter is intended to assist you in satisfying your obligations under i) the Children's Television Act of 1990 (the "CTA"); and ii) the Telecommunications Act (Accessibility of Video Programming), and any FCC regulations relating thereto in connection with your carriage of our video programming services, Insight TV.

CTA

TV Entertainment Reality Network B.V. (trading as "Insight TV") hereby certifies that Insight TV did not air children's programs (as defined in the CTA) in Q4 2019, and we trust that this enables you to satisfy your obligations under the CTA in connection with your carriage of Insight TV.

Closed Captioning

In addition, Insight TV has established that a number of self-implementing exemptions apply to it.

Section 79.1 (d) (Title 47, Chapter 1, Subchapter C, Part 79, Subpart A, §79.1) on Accessibility of Video Programming provides that any video programming or video programming provider that meets one or more of the following criteria shall be exempt from having to provide Closed Captioning:

- A. 79.1 (d) (9): Programming on a video programming network for the first four years after it begins operations (...).
- B. 79.1 (d) (12): No video programming provider shall be required to expend any money to caption any channel or stream of video programming producing annual gross revenues of less than \$3,000,000 during the previous calendar year (...). For the purposes of this paragraph, each programming stream on multicast digital television channel shall be considered separately for purposes of the \$3,000,000 revenue limit.

Ad A: With reference to paragraph 154 of the Report and Order (MM Docket No. 95-176) and footnote 552 of the 2014 Report and Order on Closed Captioning of Video Programming (CG Docket No. 05-231) the four-year exemption commences from the date the new network has launched. Since Insight TV only launched in the US as of October 2017, this exemption applies up until October 2021.

Ad B: In addition to the exemption of section 79.1 (d) (9), Insight TV is also exempt under section 79.1 (d) (12), as the annual gross revenue produced on Insight TV's US channels in the previous year has not exceeded the \$3,000,000 threshold, nor will it exceed such threshold in 2019.

Should you have any questions relating to the foregoing, please do not hesitate to reach out to us.

Sincerely yours,

On behalf of Insight TV
