Children's TV Programming Commercial Certification

3rd Quarter 2016

9/26/2016

LATV Networks certifies that all children's TV programs carried on LATV during this quarter, which are identified below, were formatted so that the standard policy is in practice. The programs will not exceed the commercial time limits in section 73.670(a) of the FCC's rules.

Week days: 12 minutes in any hour program and 6 minutes in any half hour program.

Weekends: 10:30 minutes in any hour program and 5:15 minutes in any half hour program.

(Commercial matter was prorated in the same proportion for any children's program over five minutes, but less than a half hour in duration, and that aired outside the full length children's program)

Attachment 'A' identifies any commercial time overrun from the limits stated above, together with a brief explanation.
