AGREED UPON SCHEDULE

For All Issue Advertisements That Communicate a Message Relating to Any Political Matter of National Importance

Broadcast Length	Time of Day, Rotation or Package	Days	Class	Times per Week	Number of Weeks

Attach proposed schedule with charges (if available):

AFTER AIRING OF BROADCASTS:

Attach Invoices or Schedule Run Summary to this Form showing:

- (1) actual air time and charges for each spot;
- (2) the date(s), exact time(s) and reason(s) for Make-Good(s), if any; and
- (3) the amount of rebates given (identify exact date, time, class of broadcast and dollar amount for each rebate), if any.

Note: Because the FCC requires that the political file contain the actual time the rate for spots "communicating a political matter of national importance" air, that information should be included in the file as soon as possible. If that information is only generated monthly, the file should include the name of a contact person who can provide the times that and rates for specific spots aired. The FCC's online political files include a folder for "Terms and Disclosures." NAB suggests that, for stations subject to the online public file rule, the names of contact person(s) be placed in that folder.

Career Politicians like Nancy Pelosi, Maxine Waters, and Chuck Schumer don't care about you or their constituents, because they don't have to care.

They've been in Congress so long and have raised so much money that they can stay in office until they decide to retire.

That's Insane. And thankfully my friends over at FreedomWorks think so too.

That's why they're urging conservatives across America to support term limits for Congress.

And if you'd like to help them put term limits on Congress please text Ben, that's my name, B E N to 41490 and sign their petition now.

Do you know how I know these politicians don't care about their constituents?

Just look at their districts.

Maxine Waters, for example, has a homeless crisis going on throughout her district.

She doesn't care about them or the crime and drugs in the streets.

And she doesn't think she has to because she's been in Congress so long that no one is willing to challenge her.

But if we put term limits on Congress, there won't be any career politicians like Maxine Waters and Members of Congress will have to start actually listening to their constituents.

Please go join my friends over at FreedomWorks by texting Ben to 41490, that's Ben to 41490. And help them put term limits on Congress by signing their petition today.

Capitalism is a good thing.

In fact, it may be one of the best things in human history.

I know it's a weird thing to say but apparently it's something that needs to be said since socialism is becoming more and more popular in this country.

Bernie Sander, a self-described socialist, could be the Democrats' presidential nominee.

It's insane.

And if you think so too then you should join my friends over at FreedomWorks.

Right now Freedom Works is pressuring Congress to support Senator Steve Daines' resolution condemning socialism in America.

And if you'd like to help them get it passed please text Ben that's my name B E N to 4 1 4 9 0 and sign their petition today.

Socialism is one of the worst things to ever happen to humanity.

It always leads to more violence and more suffering.

It's no surprise that some of the poorest countries in the world today have socialist economies.

That is why we must do everything we can to prevent America from going down this proverbial road to serfdom and adopting socialism.

And it's why I'm encouraging you to join FreedomWorks and condemn socialism today by texting Ben to 41490 and signing their condemn socialism petition today.
