Travis Regensberg, cherman of the board of the Chamber of Commerce. He reported that the chamber has been ordered by the city manager to move out of the city owned building where their office is housed. He gave no details for the city taking this action and reproted that the chamber board is now looking for another building in which to set up their office. He also stated that the chamber is waiting for the city to pay them their next funding installment so they can continue to operate the office. Duration of talk: 8:15 a. m. to 8:40 a. m.

7/21/16: Guest, Stella Burciaga in studio, on phone interview BJ speaking about a Sacred Pipe Ceremony to be held in our community sometime in august, (date not set) A pipe ceremony brings people together in a circle and are guided by the teacher, (BJ) to help the participants get in touch with their inner self while learning to meditate, to relax and learn to listen to their inner voice.

Dale Turner, our station sportscaster talking about the 2016 high school sports and football and basketball games our station will be broadcasting in the 2016/2017 school year.

7/22/16: Guest, Joquine Garofalo, a local business man. He has owned a pizza business for several years in our community and he bought an other building and for the past year has been remodeling it to expand his business interests and will expand his pizza business while creating a new business in the existing pizza building. He also announced that he is opening another business in town where he will sell/rent/fix bikes. Will rent small boats, snow skies, sell skate boards. ETC.

7/22/16: City manager Richard Trujillo and Maria Gilvarry the city utilities director. She informed the community that the city will be enforcing stage one water restrictions due to the fact that we have not received a lot of rain, the river water flow is very low. Our area has received little rain now for a few months and the city is preparing for drier months ahead. The city manager gave an up date on matters the new administration is continuing to work with. The city has yet not hired a contractor to install a new roof in the city recreation center which was damaged by high winds a year ago but reported that the center will remain open till the contractor starts the work. They hope the work will be completed in less than a year. The city manager also reported that the city is working on a legislative request for funding for proposed projects but may not get too much funding since the state is also facing a shortfall in funding due to low oil and gas sales. The state legislature is considering call for a special session to discuss the lack of funding which will affect not only our community but every community in the state next fiscal year.

7/29/16: Pamela Marrujo was our guest, she is the city recreation center director. She offered an up date to the community about the planned repairs to the center and announced that the city signed an agreement with the only contractor who submitted a proposal and cost figure to perform the needed work. The center will remain open till a few days before the work is started. The repair work will take about nine months. Duration of talk was from 8:10 a. m. to 8:50 a. m.
