2. School closings due to dangerous weather conditions are a hardship for working parents who need timely notices in order to arrange for the care of their children.

3. Amber Alerts are a valuable tool for law enforcement, to quickly disseminate information about abducted children, in order to facilitate the quickest possible apprehension of perpetrators and rescue of the abductees.

4. The nationwide FEMA EAS System provides state and local officials the means to inform and instruct the public at large of essential emergency information and instructions in order to protect public health, safety and property in case of terrorist and/or natural large scale emergencies.
