Local Issue: ECONOMY/JOB

Program	Date	Time	Duration	Description
NEWS CENTER	4/1	6:51 am	2:00	If you're like many Americans, you've waited till the last minute to file your taxes. There are just 2 weeks left to file your taxes, unless you file for an extension.
NEWS CENTER	4/2	6:35 am	1:00	The school committee in Auburn is mulling over cuts to the department's proposed budget. The city council asked the department to reduce its proposed budget by 1-million dollars, so it complies with the city's 1.8 percent expenditure increase cap.
NEWS CENTER	4/6	6:24 am	3:00	You still have about a week and a half to file your taxes, but for those who have already done it, the IRS says as of March 14th they've sent out more than 61 million refunds! And those refunds add up to about 179 billion dollars. If you've gotten a piece of that total, you may be tempted to go on a shopping spree.
NEWS CENTER	4/7	6:51 am	1:20	Wall Street looks to add to Monday's gains today. Stocks rallied, as investors shrugged off Friday's disappointing jobs report, betting the federal reserve will wait longer to start raising interest rates.
NEWS CENTER	4/8	6:51 am	1:20	Stocks look to open higher this morning, after the markets faded late in Tuesday's session. Oil prices are in focus, falling back today after they settled at the highest level yesterday since the end of December. We get a government report on US oil supplies this morning, as well as the minutes from last month's fed meeting this afternoon, which could provide more clues on when the fed will start raising interest rates.
NEWS CENTER	4/9	6:06 am	1:05	The Houlton Band of Maliseet Indians are trying to bring a casino to Aroostook County but history suggests it might be a tough bid.
NEWS CENTER	4/10	6:52 am	1:10	The markets look to end the week on a positive note. Stocks rose for the fourth time in five sessions on Thursday. The DOW has now gone three straight days without a triple-digit move for the first time since late February. We get data this morning on import prices.
NEWS CENTER	4/13	6:36 am	1:40	With winter in the rear view mirror, you won't have to worry about paying any heating bills for a little while. But that doesn't mean the electric and gas bills go away. However, if you're looking to save a little extra cash this year. Here are some tips you can use to save energy as the weather gets warmer.
NEWS CENTER	4/14	6:38 am	1:22	Tax day is coming up tomorrow! Here are a couple of interesting facts about the day from Wallet Hub.
NEWS CENTER	4/15	5:21 am	2:00	It may not be the first thing you think of when planning your vacation but you might want to consider including thrift stores on your next trip.

NEWS CENTER	4/16	5:51 am	1:45	It's possible that you got some gift cards for Christmas that you've already forgot about. Experts say you should be using those cards now, especially if the stores in question are in financial trouble.
NEWS CENTER	4/16	6:04 pm	1:00	The state says Oxford Casino and Hollywood slots in Bangor have positively impacted the state's economy. But a new study commissioned by the legislature shows Maine could be cashing in on the industry a lot more.
NEWS CENTER	4/17	6:51 am	1:05	Stocks could come under pressure again today, after the markets failed to hold onto gains on Thursday. But the DOW and Nasdaq are still positive for the week. Oil prices are easing today, after they hit another high for the year, near \$57 a barrel. We get data this morning on consumer price inflation and consumer sentiment.
NEWS CENTER	4/20	6:07 pm	1:05	A woman who had an idea for healthy snacks, just a few years ago, will be honored next month as the Small Business Administration's Young Entrepreneur of the Year in Maine.
NEWS CENTER	4/21	6:24 am	3:00	Tis the season to Sell! Around this time of year a lot of people may decide it's time to sell their home. But when it comes to setting a price, what things should you consider?
NEWS CENTER	4/22	6:06 am	1:00	The new owners of the pulp mill in Old Town and city leaders there can't seem to agree on how much they think the mill is worth. Expera Specialty Solutions filed an appeal this week, saying the mill is worth about 85 percent less than the city has it assessed at.
NEWS CENTER	4/22	6:04 pm	2:00	Lobster prices are up because the lobster catch is down. The current wholesale market price now sits at an average of nine dollars a pound. Those high prices could last into the mid-summer season before soft shell lobsters hit the menu.
NEWS CENTER	4/23	6:07 am	1:30	The Energy, Utilities and Technology Committee heard testimony on two competing bills that would restore funding to Efficiency Maine. The problem stems from when the word "and" was left out of the 2013 law in a drafting error. That error allowed regulators to slash \$38 million dollars for energy efficiency programs.
NEWS CENTER	4/24	6:07 am	1:15	The biggest union at Bath Iron Works has gone to federal court to block the company from changing work rules. And union leaders say it may be a bad sign for next year's contract negotiations.
NEWS CENTER	4/27	6:51 am	1:17	The markets are coming off a positive week, with the Nasdaq and S & P 500 at all-time highs. There's no economic data today, but investors will focusing on reports later this week on housing, manufacturing, the consumer and first quarter GDP. It's another busy week for earnings, apple reports this afternoon, with iPhone sales in focus.
NEWS CENTER	4/28	6:51 am	1:20	Stocks pulled back from record highs on Monday, as investors get a bit cautious ahead of the fed's two-day policy meeting, which starts today. The Fed isn't

				expected to make much news, but markets will watch for any comments on when interest rates may go up. We get data today on home prices and consumer confidence, and earnings from Merck, Pfizer, Ford and UPS.
NEWS CENTER	5/4	6:24 am	3:00	Sarah Halpin – Long Term Care \$\$\$ Maine has one of the fastest aging populations in the country, and that rate is accelerating. By 2025, the percent of people over age 65 in Maine is projected to be almost 25 percent.
NEWS CENTER	5/7	6:51 am	1:04	There could be more red arrows at the opening bell today, after stocks fell for a second day on Wednesday. Investors reacting to comments from Fed chair Janet Yellen, who says market valuations may be a bit too high right now. We get data today on filings for unemployment, and consumer credit.
NEWS CENTER	5/8	6:52 am	1:02	Stocks rebounded on Thursday, recovering most of Wednesday's losses, as investors await the big economic report of the day, the April employment data. Hiring is expected to have rebounded last month, which could keep the federal reserve on track to hike interest rates sometime later this year. Unemployment is seen falling to 5.4%, a seven-year low.
NEWS CENTER	5/12	5:05 am	1:20	It's a cost-cutting measure, but advocates for Portland's homeless population are worried. The city plans to close the overflow space at the Preble Street Resource Center. It also plans to stop placing homeless families in area motels if shelters are full.
NEWS CENTER	5/13	6:52 am	1:09	Stocks look to bounce back today, following two days of losses. The markets posted modest declines on Tuesday, after the DOW had been down as much as 180 points early on. Investors reacting to a spike in treasury bond yields, stocks move inversely to bonds. we get data today on retail sales and import prices, and earnings from Macy's.
NEWS CENTER	5/14	5:37 am	1:00	It's going to be getting a little easier to find affordable housing in Brewer, "Community Housing of Maine" broke ground yesterday on its new Village Center building project. It's a 48- unit development designed to house working families.
NEWS CENTER	5/18	6:24 am	2:00	Sarah Halpin – Finances after college Thousands of students this month are celebrating their college graduation, diploma in hand, ready to take on the real world! But with the real world comes real responsibilities like finding a place to live, paying back student loans, and hopefully finding a job to pay for all that.
NEWS CENTER	5/19	6:52 am	1:07	The markets will try to add to Monday's gains, today futures are pointing to a higher open. The DOW and S & P 500 closing at new record highs, although on light volume. We get data today on new home construction, and earnings from retailers Home Depot and Walmart.

NEWS CENTER	6/22	6:51 am	1:07	The markets could start the week on a good note, as investors are optimistic Greece can reach a deal with European officials to help pay its bills. Stocks come off a positive week, despite Friday's losses, as the NASDAQ broke through its all-time high on Thursday, having its best week since April. Look for data today

				on existing home sales.
NEWS CENTER	6/23	5:33 am	1:00	It's a controversial bill causing a stir across the state. Lawmakers in the House voted late last night to continue to allow cities and town give general assistance to asylum seekers who are eligible. But future of this law is still uncertain.
NEWS CENTER	6/23	6:06 pm	1:35	It's becoming more and more expensive to find a place to live in the City of Portland.
NEWS CENTER	6/24	6:13 pm	1:20	Thousands of visitors are in Boothbay Harbor this week for the Windjammer Days Festival.
NEWS CENTER	6/25	5:05 am	1:20	Budget talks at the local level kept city leaders in Portland working late into the night. It wasn't until well after midnight that they gave it their approval. The budget calls for increased fees, property taxes and funding to continue for people in Portland who are asylum seekers.
NEWS CENTER	6/29	6:25 am	3:00	Sarah Halpin Analysis - Stock markets around the world are expected to react negatively as Greece's five-year financial crisis appears to worsen. Asian markets sank today after Athens decided to close the country's banks for six working days and impose restrictions on cash withdrawals. Oil prices have also declined and the euro has edged down against the dollar.
NEWS CENTER	6/29	6:08 pm	2:00	Farming has always been a big part of Maine's economy but times haven't always been favorable for the industry.
NEWS CENTER	6/30	5:02 am	1:30	If you have a 401K, listen up; Nervous investors are anxiously awaiting the opening bell on Wall Street today after stocks took a massive slide Monday. Check out the numbers: the worse loss of this year so far. And it all has to do with what's happening overseas. This morning, Greece may default on a nearly two-billion "euro" loan.

Local Issue: HEALTH & MENTAL HEALTH

Program	Date	Time	Duration	Description
NEWS CENTER	4/1	6:18 am	2:10	Today our focus: YOUR DIET Making healthy food choices is easier said than done! And it starts when you walk into the grocery store.
NEWS CENTER	4/2	5:55 am	2:34	It's a good indicator that something is on the cutting-edge of technology when it's got an "i" in front of its name like an iPad or iPhone, by that logic, maybe a new breakthrough for the visually impaired should be called the iEye.
NEWS CENTER	4/2	6:11 pm	3:20	When Americans join the military, there is an understanding: if they are harmed while serving their country, their country will take care of them.
NEWS CENTER	4/9	6:25 am	2:50	It's one "bad bug." That's what researchers are saying about something called "Clostridium Difficile" or "C-Diff." Nearly half-a-million Americans get infected with

				this potentially deadly bug each year.
NEWS CENTER	4/10	6:11 pm	1:49	An online fundraising campaign for a Windham man who is donating his kidney to a complete stranger almost derailed the lifesaving procedure.
NEWS CENTER	4/13	6:18 am 6:25 am	6:00	Golf Health Tips = Back In Motion PT The warm weather is here so it's only a matter of time before the last of the snow melts and the fairways and greens across Maine open back up to golfers. Golf can be a great form of exercise for people of all ages if you walk the course.
NEWS CENTER	4/13	6:39 am	2:20	Getting sick can set you back, especially if you need to take time off work to see a doctor, but now telemedicine is bringing the doctor to the office for free.
NEWS CENTER	4/14	6:12 pm	2:10	Many people expect that when they get a biopsy of a suspicious lump in their breast, they will get a definitive answer as to whether or not they have cancer. But that is not always the case.
NEWS CENTER	4/15	5:53 am	3:30	Lyme Disease Part 1 After such a long, hard winter the weather is finally getting warmer and we're all so excited to spend some time outside. But there is a very serious threat lurking in the big, beautiful outdoors. Even in your own front or back yard. As you may know, we are entering peak season for Lyme Disease infections. With the ticks that carry the disease becoming more active and looking to attach to you and your pets. Next month is Lyme Disease Awareness month and to kick it off. There is a conference being held on May 2nd in Wiscasset.
NEWS CENTER	4/15	6:25 am	3:00	Lyme Disease Part 2 Perhaps you heard about it on your favorite radio station, or entertainment TV show. Or read about it in the current issue of People Magazine. After disappearing from the public eye for several months, Pop-star Avril Lavigne has revealed that she's been fighting a debilitating case of Lyme Disease. The news broke just as we're gearing up for Lyme Disease awareness month in May. One of the events that will help kick-off the month here in Maine is the annual "Jimmy the Greeks, Maine Mall 5k" in South Portland on Monday, May 3 rd .
NEWS CENTER	4/15	6:13 pm	1:57	Every marathon runner has a personal reason for running the historic race. For some it's a passion for the sport. For others it's a charity with a cause that hits close to home.
NEWS CENTER	4/16	6:25 am	3:00	Every now and then, we like to surprise our partners with something to make them happy. Many times, couples can go over the top with their surprises! Licensed marriage and family therapist Jack Burke says that's not always necessary. You can make the same point with less effort.
NEWS CENTER	4/16	6:05 pm	1:00	Parents whose children take medical marijuana for a condition are urging lawmakers to pass legislation to

				help their kids get treatment while attending school.
NEWS CENTER	4/20	6:08 pm	1:20	One and a half million and counting. That is the number of likes a post on facebook has received about a boy from Farmington, Maine. That boy was feeling sad about the scars left behind by emergency surgery he had.
NEWS CENTER	4/27	5:06 am	1:15	The city of Portland will consider an order to ban electronic cigarettes in public places. The city already prohibits lighting up traditional cigarettes in public parks and restaurants. This ordinance up for a vote today would add "vapors" to the list.
NEWS CENTER	4/27	6:13 pm	2:12	Therapy comes in many forms, talk therapy, group therapy, and psychoanalytic therapy. But snuggle therapy is now being used in offices across the country for people who feel that touch will help them, touch that is non-sexual and completely platonic.
NEWS CENTER	4/28	6:24 am	3:00	Diane Atwood – Catching Health Spring is here, flowers are blooming and buds are sprouting on the trees. And, I'm sorry to say, the ticks are out. Diane Atwood, who writes the blog Catching Health, is here to share some tick advice for our pets.
NEWS CENTER	4/29	6:18 am	3:00	We are here with Health Coach, Heidi Symonds of Nourish-Yourself-For-Life dot com to talk more about how we can nourish ourselves for Spring and with Cinco de Mayo coming next Tuesday she has some fun recipes to share with us. But first, Heidi, on past shows you have mentioned that you teach the lifestyle, not the diet. Can you share a bit more about why this is so important?
NEWS CENTER	4/30	6:16 am	5:45	On this last day of April, we're marking Parkinson Awareness Month. The disease is a progressive brain disorder affecting the ability to move. It often causes shaking, slow movement and problems with walking. But for a man from Cranberry Island, his mind is stronger than his disease, and he's inspiring friends, families AND doctors, one mile at a time.
NEWS CENTER	4/30	5:03 am	1:00	State health officials are playing catch-up after learning that a person infected with measles went shopping at the Kittery Outlets last week. The Maine Centers for Disease Control and Prevention only learned of his visit two days ago.
NEWS CENTER	5/1	6:06 am	1:05	A group of supporters want Maine to pass a bill that would require labels on genetically modified food or GMOs.
NEWS CENTER	5/7	5:55 am	2:00	With security cameras everywhere and social media providing an outlet for every stray thought, a doctor's office is one of the few places left where you can expect total privacy, but even that may be changing.
NEWS CENTER	5/7	6:38 am	1:00	Spring is here and it brings a bunch of hungry ticks. Maine's Center for Disease Control has some recommendations on how you can prevent contracting Lyme Disease from those bugs.

NEWS CENTER	5/11	5:55 am	1:45	When you still need a jacket to stay warm, it's easy to brush-off the dangers of excessive heat but all it takes is a little sunshine to turn your car into a sweltering death-trap for young children.
NEWS CENTER	5/12	6:24 am	3:00	Catching Health – Diane Atwood Have you ever asked your doctor how much a test or procedure will cost? Diane Atwood, who writes the blog Catching Health, is here to tell us why we should.
NEWS CENTER	5/12	6:12 pm	3:11	We are back and talking today about how we can all reduce our risk for cancer. Karen Schilling is the oncology dietician at Maine Medical Center. You work with cancer patients but also with people trying to reduce their risk. The diets are very much the same.
NEWS CENTER	5/13	5:55 am	1:30	Those little health monitors that you wear while exercising make it into a game to see how many calories you are burning, but would the game still seem as fun if you found out your score was wrong?
NEWS CENTER	5/14	6:25 am	3:00	One of the promises we make at the altar is to be with our loved ones "through sickness and in health". No matter what may happen, love will prevail. However, does that mean you should take less care of your body, and rely on your partner to deal with the consequences?
NEWS CENTER	5/14	6:10 pm	4:18	In this country, the bravest among us join the military and head off to defend our country. But often the greatest war they face is when they come back home with Post Traumatic Stress Disorder or PTSD.
NEWS CENTER	5/15	6:18 am	2:50	More than 300-thousand people are suffering from an auto-immune disease that sometimes takes years to diagnose. It's called scleroderma and literally means "hard skin".
NEWS CENTER	5/18	6:04 pm	4:00	Overdoses are just one tragic end to drug abuse. Our jails and prisons are filled with people tied to drugs in some way.
NEWS CENTER	5/19	6:09 pm	3:33	It's not easy being the parent of a child with autism. It's even more complicated and exhausting when you're a single parent like Rachel Precopio-White. Her 12 year old son Connor has autism.
NEWS CENTER	5/21	6:23 am	4:00	Can you feed a family of four a nutritious meal for under ten bucks? Back in March we told you about the recipe challenge by "Maine SNAP-ED." And this morning, we have a winner!
NEWS CENTER	5/26	6:24 am	2:00	A recent survey by the Skin Cancer Foundation shows that men over 50 are more than twice as likely as women to die from malignant melanoma. Diane Atwood, who writes the blog Catching Health, is here to tell us why and pass along some lifesaving advice.
NEWS CENTER	5/26	6:13 pm	2:00	18 years ago, we brought you a story of a 31-year old man waiting on a heart transplant. Rob Cutler got his donation and slowly returned to his life.
NEWS CENTER	5/27	5:58 pm	1:25	For the fourth year in a row Maine has recorded a record number of cases of Lyme disease and experts believe it's because the number of ticks is increasing significantly.

NEWS CENTER	5/28	6:24 am	3:00	Every now and again, our partners do something that we aren't happy about. The tricky part is how to tell your partner you are upset about something they did without hurting their feelings. This is a perfect question for licensed marriage and family therapist Jack Burke.
NEWS CENTER	6/2	6:21 am	5:00	For a lot of us, juggling health and fitness along with work, family and life in general can be a tough thing to do. No one knows that better than Ashley Marble. The former high school and college star athlete is also a former Miss Maine. But her road to success hasn't always been an easy one.
NEWS CENTER	6/5	6:40 am	1:00	Allergy season is in full bloom. And it's worse than ever this year thanks to the long winter.
NEWS CENTER	6/8	6:18 am	6:00	If you are looking to lose weight than the first thing you should look at is reducing your sugar intake. Today sugar is commonly accepted and eaten in large quantities. This is causing an extreme negative effect on all part of our physical, mental and emotional well-being.
