We believe that the most significant issues facing our community as far as children are concerned are crime, drug awareness, children's safety and health, both physical and emotional, environmental concerns, literacy, plus the continuing challenges to our educational system. We incorporate positive and educational information through PSA's that are aired daily.

### **Children's Report –**

KSAS produced and aired PSA's promoting Adopt KS as a service of the Kansas Children's Service League.

We also aired PSA's for Sunburn prevention, Pool Safety, Child Start, and Anti-bullying.
