BENEFIT FOR JIMMY FREEMAN

James (Jimmy) Freeman is a kind, hard-working man who has been unable to work since May due to a serious heart condition. After two procedures, his surgeons have been unable to clear the blockage in his artery, leaving him with no timeline as to when his heart issues will be resolved and be healthy enough to work again. Let's help Jimmy out in this time of hardship and show him the support of our community!

“The Sky Was Brass, The Earth Was Ashes: The Story of the Great Peshtigo Fire”

With Karen Vincent Humiston

**Northern Waters
Genealogical Society**

**BOULDER
JUNCTION
PUBLIC LIBRARY**

**Thursday
September 22
6 pm**

On October 8, 1871, the deadliest wildfire in United States history swept through a large part of northeastern Wisconsin. Though it happened on the same night as the Chicago Fire, the Peshtigo Fire was a far greater natural disaster. Five times as many people died in Wisconsin as in Chicago, and vast areas of forest and farmland were reduced to ashes. This presentation will explore the circumstances of the fire and the stories of some of the families caught up in it.

In recent years, Karen has been working on raising her genealogical skills to a higher level, studying at the Genealogical Institute for Federal Records, the Salt Lake Institute of Genealogy, the Genealogical Research Institute of Pittsburgh, and the Institute of Genealogy and Historical Research. Early in 2019, she decided to put her skills to work on the subject of the Great Peshtigo Fire, a lifelong source of fascination. Since that time, she has done intensive research on all aspects of the fire, with particular emphasis on the families and individuals caught up in it. Her book, *The Sky Was Brass; The Earth Was Ashes: The Story of the Great Peshtigo Fire* will be released in 2022.

The program free program is sponsored by the Boulder Junction Public Library and the Northern Waters Genealogical Society. Refreshments will be served. For questions, please call 715-385-2050 or visit our website at boulderjunctionlibrary.org.

Ford Alberta Sawmill: 8 miles S of L'Anse on west side of US Hwy 41

4:30 - 6:00 pm Easter time Wed Sept. 21

at Whirl-I-Gig, 15850 Whirl-I-Gig Rd, L'Anse

AN ARCHIVE PHOTO of the Ford Alberta Sawmill.

Presentation set on the Ford Alberta Sawmill

BARAGA — The Ford Alberta Sawmill citizens group, operating as a subcommittee under the non-profit auspices of the Baraga County Historical Society, will sponsor a free event from 4:30 to 6 p.m. Eastern time Wednesday, Sept. 21, at the Whirl-I-Gig, 15850 Whirl-I-Gig Road, L'Anse.

The featured speaker will be L'Anse native Keith E. Whitman. The purpose of the event is to inform the public about efforts to preserve the sawmill and restore its status as an important historical exhibit. Alberta is on

U.S. 41 in Baraga County's L'Anse Township.

Drawing on thousands of hours of interviews and research for his book-in-progress on Henry Ford, Whitman's topic will be "Henry Ford's Northern Michigan Operations: Henry Ford's Playground."

Focusing on historical Ford enterprises and communities in Iron Mountain/Kingsford, Alberta, Pequaming, and Big Bay, Whitman will bring to life the legacy of Henry Ford the man, who loved the Upper Peninsula and its people.

"Keith has an amazing store of knowledge on the Henry Ford heyday in the U.P., when he owned huge timber holdings north of the Straits. Keith's documented stories are based on his recorded interviews with scores of people who worked for Ford or interacted with him, and with members of the Ford family. This is an event for the whole family — a trip down memory lane for many U.P. residents who grew up in Ford mill towns and a local history lesson for our young people," Subcommittee Chair

Mike DesRochers said.

Whitman's anecdotes are humorous, heartwarming, and always informative.

He is the proud owner of the Pequaming fire engine, designed by Henry Ford and used by him to entertain children on his frequent visits.

There is no cost for admission, but freewill donations will be accepted.

Information on the Baraga County Historical Society and the subcommittee will be available. The Whirl-I-Gig will be open for food and beverage service.

PSA ~~1~~ 9/2/22 - 9/3/22

Good morning, Telephone Time,

The Friends of the Duke of Abruzzi are having its last garage sale of the year this week. The big one you have all been waiting for all year. Everything, I mean everything is going on sale at 50 % off the marked price. That's right, if you can see it, we will sell it at 50 %off. This is your payback sale to all our great customers. You have been terrific all summer and now it's your turn to make the deal. We are bursting at the seams with great stuff, but we will need more room for next year. It will be our once a year blow out sale. We have one or more of everything you can imagine. If we don't have it, you might not need it and all at giveaway prices.

We have a lot of beautiful furniture. Desks, couches, chairs, recliners, lamps, pictures, end tables, coffee tables, nightstands, kitchen sets, entertainment centers, big and small, China cabinets, display cabinets for your heirlooms and antiques. Check the man cave and sporting attire. There are big collections of LP's and picture puzzles. There is a large collection of model train tracks for sale. All still in the package. 2 clothes dryers. The list goes on and on. All are displayed beautifully and easy to reach with no digging. It's better than Walmart and 50 % off.

Bring the kids on Saturday. Let them pick out something for Christmas. It's always special if they have something of their own to put up for Christmas. Remember, it's 50 % off.

We will continue to accept items all fall and winter in the foyer which will be left unlocked. For special items you can call : 1 906 284 9733 or 1 402 312 2257.

We want to give a special thanks to all who have donated and participated in any way over the summer. We especially want to thank the ladies who work the sales floor without whose help this would never happen. They are a very dedicated group of women.

Come and join us this weekend at the Friends of the Duke of Abruzzi garage sale in Caspian at 405 Mc Gillis Ave. Take US 2 to M189 to Co. Rd. 424 to Caspian, the city that "cares and shares" to the biggest little garage sale in the U.P. Follow the big yellow signs right down the yellow brick road to the "Dukes" and the Pot-o-Gold. We are open for the final time this year Thursday, Friday, and Saturday 10:00 am to 3:00 pm.

Remember, if we don't have it, you might not need it and thank you again for your participation this past year. Let's "Save the Dukes".

7/20-7/30

Good morning, Telephone time,

PSA 8/4/22 - 8/6/22

With great pleasure the Friends of the Duke of Abruzzi want to welcome back all our old customers and send a big hello to all our new customers. If you had a few minutes to visit with our sales people perhaps we could arrange a tour of our historical site with the old guy. We would love to share our message. Besides, it keeps the old guy out of mischief.

Now for the bargains of the week.

All our Christmas decorations are 30% off the marked price. Bring the kids and let them pick something out. It's great when they have something of their own to decorate with for Christmas.

I am told that we have collected quite a lot of porcelain dolls. These dolls are being sold at \$2.00 ea. However, now get this, each little girl can have one of these dolls for free until they are gone just for coming to our garage sale.

All totes are on sale for \$3.00 ea. There are a lot of mix and match lids available and if you want to thumb through them and find a lid to match, have at it. No charge for the lid with a tote.

We now have another golf bag full of clubs. That makes 4 golf bags in stock. The boss said she would sell each club at \$2.00 ea. She will even throw in the sock that keeps them "warm". If you want to buy a bag with clubs included, you can talk to the boss about a package deal. Don't tell her I said so, one of us could get in trouble.

We still have more LP'S and picture puzzles. About 150 to 200 ea. It's amazing, they ask to pack them separately when packing them in bags. Obviously, these are going to be their treasures. You don't want to let someone find your treasures before you do, do you?

Last week we highlighted the pictures and wall hangings in our new Galleria, new bed and bath section and kitchen area with small appliances. This week we want to highlight the "man's cave" with new sporting and electrical annexes.

Now here is the big one, one of our biggest sales of the summer. Everyone that has come into our garage sale has marveled at the quantity and quality of our used furniture that is all priced to sell. Many have purchased our furniture in the last 2 years and left well satisfied. This is going to be your biggest opportunity of the summer at these prices. All furniture is going to be priced at 30% off. That's right. 30% off. This may be your last chance this year to purchase the piece you have been looking at that was too pricey at a furniture mart. You must come and see what we have available.

All this and much, much more can be seen at the "Dukes" garage sale. Remember, if we don't have it, you might not need it.

Come to the city of Caspian, "the city that cares and shares" to the "biggest little garage sale in the UP". Take US 2 to M189 to Co. Rd 424. Follow the big yellow signs right down the yellow brick road to the "pot-o-gold". We are open Thursday through Saturday 10:00 am to 3:00 pm ea. day.

While you are at it, bring your bottles and cans with you. The old guy has blue barrels set up outside to collect them. We will put the money to good use for the restoration of our National Historical Site.

On another note, we also have Bocce competition Monday and Thursday nights for co-ed and Tuesday night for The Joe Polich Bocce League. All start at 6:00 pm. There is no charge. Come and watch. There is open Bocce playing Wednesday, Friday, Saturday, and Sunday. Balls are provided on the courts and rules are posted for your enjoyment. Anybody can play Bocce. All you must do is roll the balls down the court.

Please leave the courts as you found them.

Have a good week.

Preslres Pay it forward Cancer Ride

Our family is personally touched by a child with cancer as our daughter was diagnosed with B Cell Acute Lymphoblastic Leukemia (blood and bone marrow cancer) in April 2020. We are currently still on going treatment, but want to raise money for other family's that are at the children's MACC center of Milwaukee (or seeking treatment elsewhere also). During this ride we are asking for monetary donations (where we can purchase gas cards or food cards to give to family's in need or you may purchase and donate one also) an/or we will also stopping at Grandma's Toy box in Eagle River WI where you can purchase a toy and we can donate them to the toy closet at the Macc Clinic. Everytime a kid under goes a procedure or a treatment and is having a bad day the wonderful staff allows the kids to pick out a toy to help brighten the kids day. I wanna fill the closet up for them. That closet helped our daughter through alot of her days. So please spread the word and join us to help us help another family and pay if forward!

Good morning, Telephone time,

Thursday - Saturday 10 AM to 3 PM

The Friends of the Duke of Abruzzi garage sale in Caspian is offering even more furniture than last week. The community knows no bounds in their generosity and the quality of their donations. We have furniture of all kinds priced to sell on our sales floor beautifully displayed.

All Christmas decorations are 30% off. It is still Christmas in July. Bring the kids and let them buy something. It is special when a child has their own decoration to put up at Christmas.

The new well-lit galleria is finished on the upper level with a wide variety of beautiful pictures being displayed and wall hangings of many themes.

The newly rearranged bed and bath on the upper level has everything displayed better than a department store. Everything is easily identified and labeled.

We are again expanding the man's cave to include a sports section. We pulled items out of storage to add to your selection.

The small kitchen items i.e., pots and pans, cookware, coffee pots, slow cookers, roasters, and anything kitcheney is in the old kitchen area in the upper level also.

We are down to 250 LP's and 250 picture puzzles. The word is now out. He who gets here firstest gets the moistest.

There are still many more tubs left at, \$4.00 w/ lid and \$.300 w/o lid . They are great for storage.

Chairs and more chairs for kids and teens along with adults. School desks also. \$5.00 ea.

Finally, 3 sets of golf clubs came in last Saturday along with many tees and golf balls.

All this and much, much more . Remember, if we don't have it, you might not need it.

All this can be found in Caspian , the city that cares and shares at the 'Dukes' garage sale on 405 McGillis Ave. Take US 2 to M189 to CO. Rd. 424 to Caspian. Follow the big yellow signs right down the yellow brick road to the pot-o-gold and the biggest little garage sale in the UP.

While you are at it, bring your bottles and cans with you. The old guy has 2 blue barrels set up outside to collect them. We will put the money to good use for the restoration of our National historic building and grounds.

On another note, we also have Bocce competition Monday and Thursday nights for co-ed and Tuesday night for the Joe Polich Bocce league. All begin at 6:00pm. These will continue till fall. Come and watch. No charge. There is open bocce playing on Wednesday, Friday Saturday, and Sunday. Balls are provided on the courts and rules are posted for your enjoyment. Anybody can play Bocce. All you must do is roll the balls down the court.

Please leave the courts as you found them.

Have a great week.

PSA 8/24/22 - 8/27/22

Good morning, Telephone Time,

The Friends of the Duke of Abruzzi garage sale welcomes you to another week of bargains. It is true that our season is winding down and that means we are running out of room and have to move items. Fall and winter is one of our busiest times for taking in items for next year. Remember, it's a long winter and our loss will be your gain.

All our items will be going on sale at different discounts. I wouldn't have enough time to list them all. Signs will be put up all over the store with the mark downs.

I can be more specific about one thing. All furniture is going at 30% off. There are some incredible pieces on the floor. If you are looking at a good item at a good price, we have it. More comes in every week. If your children could use a desk and a chair for homework, we have a good selection. We have quite a few at 50% off.

Last week I discussed with you why we do what we do at the dukes. This week I'll tell you what we have done. Due to the incredible generosity of the community, we have we have been able to do all these things :

First year: We engaged U.P. Engineering to do a study for us on what needed to be done to bring the building up to code, installed new roofing, added seamless gutters, did some landscaping for drainage, and added a new entrance ramp.

Second year: we added a new source of lighting in all the rooms, Removed the old plaster off the walls in living quarters on the second level creating 4 more rooms, added new windows on the second level and removed all the covers off the large windows on the first floor.

This, our third year, is going to be our largest challenge. U.P. Engineering said we must replace the foundation wall on the north side of the building, or the wall will collapse, and we will lose the building.

This is where we have to dig in now. The Friends of the Duke of Abruzzi's back is literally and figuratively up against the wall. We have come so far in three years we cannot give up now. We need your help. We cannot do it without the public's further help. If you know someone that might be willing to help with a donation, please encourage them.

In the meantime, we will go on with our garage sale at 405 Mc Gillis Ave. in Caspian, Michigan the "City that Cares and Shares". Take US 2 to M189 to Co. RD. 424 to Caspian. Follow the "big yellow signs" down the "yellow brick road" to the biggest little garage sale in the U.P. and

to the pot-o-gold. We are open 10:00 am To 3:00 pm Thursday, Friday, and Saturday. We will leave the doors open for you.

While you are at it, bring you bottles and cans. The old guy has 2 blue barrels set up outside. We will put the money to good use for the restoration of our national historic site.

On another note, come and watch the Joe Polich Bocce league play Bocce on Tuesday evening at 6:00 pm. Our co-ed league is over for the season. Everyone had a great time and is already looking forward to next year. There will be open bocce playing every day except Tuesday and Wednesday. Balls are provided on the courts and rules are posted . Anybody can play Bocce. All you must do is roll the ball down the court.

Please leave the courts as you found them. Have a good week.

PSA 8/18/22 - 8/20

Good morning, Telephone time,

The Duke of Abruzzi Garage sale has once again been inundated with donations this past week. Please excuse our mess. We will be working hard to make our store presentable. We will share our messy store with you at lower prices. We are going to continue our 30% off sale for another week on furniture, pictures, Christmas items, and bed and kitchen items. 2 clothes dryers also came in and they will also have to go. They are priced separately. We need more room for more new items including furniture. A surprising amount of furniture has been coming in. You really must see some of these things. It is great looking stuff. If you need a desk, couch, full or love seat, dining room set, kitchen table and chairs, end tables, coffee tables, we got tables. How about an entertainment center, both big and small. We got entertainment centers. We have China cabinets and display cabinets for your antiques, heirlooms, and pictures. You must come and see what we have, it will surprise you.

You should check our walls and Man Cave for sporting attire. It's all on display for the sports minded enthusiast.

We are divesting ourselves of all the chairs and totes outside at 50% off. When they are gone, they are gone. We have more to choose from in the basement. Ask the old guy to take you downstairs, maybe he will give you a tour. We have this and much, much more in Caspian, the city that cares and shares.

It has been some time since the Friends of the Duke of Abruzzi have discussed the reason why we have this garage sale every week all summer long. We started it 3 years ago to make money for the restoration of the Duke of Abruzzi building and grounds in Caspian. It was given the designation of National Historic Site for its importance in the immigration of European peoples into the United States. We feel it is important that we help to bring back that same sense of community that once existed when so many people shared this hall and grounds so many years ago. When it is complete, we will give it back to the community for its use once again. We are a nonprofit organization, and this is our mandate. We all learned many years ago that you do not have to be part of an ethnic group to be part of a family. Come and join our family. Next week we will tell you what we have accomplished and what our next goal is.

Our weekly garage sale can be found at 405 Mc Gillis Ave. Take US2 to M 189 to Co. Rd.424 to Caspian and the biggest little garage sale in the UP. We are open Thursday, Friday, and Saturdays 10:00 am to 3:00 pm. Follow the big yellow signs right down the yellow brick road to the pot-o-gold. We will leave the doors open for you.

While you are at it, bring your bottles and cans with you. The old guy has blue barrels outside to collect them. We will put the money to good use for the restoration of our national historic site.

On another note, we also have Bocce competition Monday and Thursday nights for co-ed and Tuesday night for The Joe Polich Bocce league. All start at 6:00 pm. There is no charge. Come and watch. There is open bocce playing on Wednesday, Friday, Saturday, and Sunday. Balls are provided and rules are posted for your enjoyment. Anybody can play Bocce. History Happy Hours

6:00 - 8:00 PM at the Iron County Museum

2022 Theme: **HISTORY'S MYSTERIES**

Friday, June 17th | "Murder, Mayhem & Misfits"

U.P. author, Sonny Longtine, will share about spine-tingling true murders from 1846-2006 that turned quiet communities into fear-ridden crime scenes in Michigan's Upper Peninsula. Copies of his book will be available for purchase. Enjoy drinks & socializing in our vintage taproom, Toti's Tavern, afterwards!

Friday, July 29th | "Resurrecting Shipwrecks"

David Trotter has been involved in searching, diving, exploring and documenting new discoveries in Great Lake Shipwrecks for over 35 years. His discoveries have been featured on the Discovery Channel, PBS, and NBC! He'll be sharing the tragic history of the ships and video footage of his discoveries. Enjoy drinks & socializing in Toti's Tavern afterwards!

Friday, August 19th | "Ghost Towns of the U.P."

Across the U.P. there are dozens of sites and remnants of communities that either are no more or are merely a skeleton of what they once were. In his presentation, Daniel Truckey will share some of the history & mysteries of these ghost towns! Enjoy drinks & socializing in our vintage taproom, Toti's Tavern, following the presentation.

Telephone Time

To Front Desk <frontdesk@wikb.com>

Good morning, Telephone time,

The Friends of the Duke of Abruzzi garage sale is having its Mid-Season Sale this weekend. We are overstocked and bursting at the seams with merchandise. We need more room for the great items coming in every day. The ladies are working hard to display every item. If you can't see it, you can't buy it. You wouldn't want to miss an opportunity at finding that special item. To that end, gentlemen, the ladies promised to reset the "Man cave" and add a sports section.

Now to the sales items, all dolls 30% off, All Christmas items 30% off, there are some incredibly beautiful things there. Furniture 30% off. If you have been through our store before and have been hesitant to purchase that piece, now is the time to do it. He who gets there the firstest, gets the mostest. All pictures are 30% off. The ladies have added some tubs up front with small items to dig through at 4/\$1 also. Bring the kids, let them dig through it too and let them search for their own Christmas decoration, it will make their Christmas special to have their own ornament to put up.

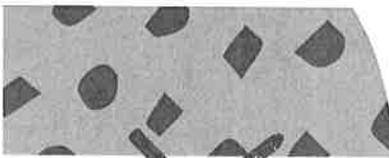

All of this and much more can be seen in Caspian, the city that "cares and shares" at 405 Gillis Ave. Take US2 to M189 to Co. Rd. 424 to Caspian. Every Thursday, Friday, and Saturday from 10:00 am to 3:00 pm. Follow the big yellow signs right down the yellow brick road to the "biggest little garage sale in the UP". and the pot of gold. We will leave the doors open for you.

While you are at it, bring your bottles and cans with you. The old guy has blue barrels set up outside to collect them. We will put the money to good use for the restoration of our national historic site.

On another note, we also have Bocce competition Monday and Thursday nights for co-ed and Tuesday night for The Joe Polich Bocce League all start at 6:00 pm. There is no charge. Come and watch. There is open Bocce playing on Wednesday, Friday, Saturday, and Sunday. Balls are provided and rules are posted for your enjoyment. Anybody can play Bocce.
