<u>Issue</u>	<u>Program Information</u>	<u>Brief Description</u>
Public Health Needs		
	News Local Hourly R.O.S. Basis	
	6/16-17	The Michigan State Police have developed a Mobile Application for both iPhone and Android platforms for helping people with dissemination of public information.
	6/11-13	The Michigan Department of Health and Human Services has issued a recommendation that Michiganders should avoid contact with foam they may see on Michigan's lakes, rivers, and streams.
	6/11-13	Governor Whitmer announced grants awarded under the umbrella of the MI Clean Water Plan to help Michigan communities strengthen drinking water infrastructure and to better ensure safe, affordable tap water across the state.
	6/11-13	Governor Whitmer has signed two House bills which ensure that callers to the Michigan Crisis and Access Line (MiCAL) have access to information about availability of psychiatric beds. These bills will improve access to mental health services.
	6/10-11	Signs that someone is suicidal can vary from person to person, according to Dial Help in Houghton. Assistant Director of Dial Help Krissy Putz says the most important thing is getting that person some help.
	6/8-9	The Michigan Department of Health and Human Services and "Getsetup" are partnering to offer classes to improve brain health during June, which is Alzheimer's and brain awareness month.

Issue	Program Information	Brief Description	2
6/4-6		In 2020 Marquette County law enforcement responded to 46 cardiac emergency calls requesting the use of lifesaving automated external defibrillators. Law enforcement officers are frequently the first to arrive on scene because they are already mobile at the time of the call and have the necessary equipment, including AED's with them on patrol.	
5/28-30		The Michigan Department of Health and Human Services and the Protect Michigan Commission are launching a new text messaging program to share Covid-19 vaccine information and encourage Michiganders to get vaccinated.	
5/28-30		The Michigan region of the American Red Cross is sharing information to create awareness of rip currents and other threats to Great Lakes swimmer safety.	
5/27-28		The Marquette County Health Department continues in it's efforts to vaccinate community members and is working to reach out to home bound individuals.	
5/27-28		The announcement of a bi-partisan agreement between the Governor and Senate Majority leader Mike Shirkey and Speaker of the House Jason Went worth has lead to Michigan moving forward.	
5/24-25		Governor Whitmer has announced that the plan to roll back Covid related restrictions has been stepped up in Michigan. As of June 1, capacity limits will be lifted for outdoor events, while indoor capacity limits will be increased to 50%. On July 1, Michigan will no longer have limits in place for outdoor or indoor gatherings.	
5/19-20		I an attempt to mitigate the spread of COVID-19, the Michigan Department of Health and Human Services and the Michigan Department of Transportation have expanded the "Travel Points Testing Program" to the Clare, New Buffalo, and Coldwater Welcome Centers.	
5/18-19		State Representative Beau LaFave has introduced a bill which is part of a 6 bill bi-partisan package to prohibit the creation, implementation and enforcement of vaccine passports in Michigan. LaFave's bill specifically prohibits businesses from mandating proof of vaccination for customers.	
5/14-16		Governor Gretchen Whitmer is lifting the mask mandate for fully vaccinated Michiganders. The new order will take effect on Saturday, May 15 th at 9am.	
5/12-13		Governor Whitmer has announced that 55% of Michiganders have received their first dose of the COVID vaccine. With this announcement it marks the first milestone of the "MI Vacc to Normal Plan" which enables in-person work to resume across all employment sectors on May 24 th .	

Issue	Program Information	Brief Description
5/10-11		Upper Peninsula State Legislators have disputed a media report that they were involved in the creation of the VACC to Normal metrics announced last week by Governor Whitmer.
5/6-7		P-FAS testing will be done on private drinking water wells in Negaunee township. Out of an abundance of caution, the Michigan Department of Health and Human Services, in conjunction with the Michigan Department of Environment, Great Lakes, and Energy will be sampling a select group of private drinking water wells surrounding the former Marquette County Airport in Negaunee Township for the presence of per- and polyfluoroalkyl substances.
5/5-6		May is motorcycle safety awareness month and many motorcycle advocacy groups around the world use the slogan “Look Twice – Save A Life. Motorcycles Are Everywhere.”
4/30-5/2		Governor Whitmer and MDHHS have announced that the state is working to expand the use of a medical intervention designed to significantly reduce hospitalizations and deaths due to the virus.
4/30-5/2		Governor Whitmer provided the state’s plan for the return to normal by unveiling the “MI VACC to Normal” plan. The state of Michigan continues to push toward its goal of vaccinating 70% of Michiganders ages 16 and older to facilitate this goal.
4/26-27, 5/1-2		The Michigan Occupational Safety and Health Administration has established a COVID-19 citation dashboard that businesses can log onto to learn the status of their violations.
4/22-23		U.P. Health System – Marquette announced that it has acquired the latest innovation in Robotic Technology for surgeries, which inserts all surgical instruments through one small abdominal incision, improving surgical outcomes and allowing faster patient recovery. This is made possible by a more than \$1.7 million dollar investment from Life Point Health.
4/19-20		Blood supply has dropped to critically low levels across the State of Michigan. With blood types O-negative and O-positive most needed.
4/19		The Marquette County Road Commission has reopened Steel Bridge Road. County Road CG (Steel Bridge Road) in Ely Township has been reopened to traffic as the road conditions have improved. For more information, call the Marquette County Road Commission at PH: 906-486-4491.
4/16-18		The Marquette County Health Department has reduced the COVID-19 quarantine period from 14 days to 10 days. The CDC says quarantine is intended to reduce the risk that infected persons might unknowingly transmit infection to others.

Issue	Program Information	Brief Description	4
4/16-18		The St. Ignace News reports that the former fire hall space at the St. Ignace City Hall is continuing to serve the residents with a new purpose.	
4/16-18		The Marquette County Health Department has now begun scheduling appointments for 16 and 17 year olds who are in need of the COVID-19 Pfizer vaccine. The first doses will be given at NMU Northern Center on Thursday, April 22 nd from 3-6PM and Saturday, April 24 th from 1-4PM.	
4/15-16		As COVID cases across the State of Michigan surge, MIOSHA that is within the Michigan Department of Labor and Economic Opportunity, has extended its emergency rules that were originally issued October 14, 202. The current emergency rules have been extended until October 14 of this year.	
4/13-14		More than two-million Michiganders are fully vaccinated for COVID-19, and a focus now is ensuring that people who are homebound are also able to get the vaccine.	
4/12-13		The Oscar Johnson VA Medical Center in Iron Mountain has announced it's providing COVID-19 vaccinations to anyone who served in the military, as well as their caregivers and spouses under the authority granted by the "Save Lives Act".	
4/9-11		MDHHS Bureau of Laboratories scientists have been busy genome sequencing the virus to identify variants. More than 10,000 samples have been sequenced by staff to date with over 4,200 of those tests completed in 2021.	
4/9-11		Governor Whitmer and Lieutenant Governor Gilchrist released statements after the Biden Administration sent a letter to Michigan announcing that it has taken steps to ensure greater access to health care under the Healthy Michigan Plan by removing restrictive Medicaid work requirements that were put in place under the Trump Administration.	
4/5-6		Governor Whitmer and the Michigan Department of Health and Human Services are urging Michiganders to get tested for COVID-19 upon returning from spring break in an effort to help slow the spread of COVID-19.	
4/2-3		The Marquette County Health Department announced this week that vaccine supply in Michigan has reached the point where vaccinations will be offered to anyone 16 years of age and older beginning on Monday, April 5.	
3/29-30, 3-4		A supplemental budget house bill has now been signed into law. Right to Life of Michigan reports that under a directive, vaccine recipients must be given informed consent if and in what manner the	

development of the vaccine used aborted fetal tissue or a human embryonic stem cell derivation line.

|------|---|
| 6/30 | Darrell and Stevie Waltrip share some amazing stories from the NASCAR world and talk about their long-term marriage. |
| 6/29 | Kathi Lipp suggests that women need to spend time journaling all the things they’ve ever wanted to try and then seek God’s will as to which goals are worthy of pursuing and which can be eliminated. |

<u>Issue</u>	<u>Program Information</u>	<u>Brief Description</u>	6
6/28		Danika Cooley shares practical ideas to equip parents to help their children develop a strong foundation of faith and nurture a solid relationship with God by studying the Bible together.	
6/25		Ellie Lofaro delivers a humorous message with a serious theme as she talks about being an “overcomer”.	
6/23-24		Shontell Brewer offers moms encouragement and guidance for developing their sacred calling to teach and motivate their kids to follow Jesus Christ.	
6/21-22		Singer-songwriter Matt Hammitt and his wife, Sarah, candidly discuss the severe marriage problems that resulted from his busy touring schedule.	
6/17-18		Pediatrician Dr. Meg Meeker provides great insights to encourage fathers to strengthen their relationships with their kids.	
6/15-16		Debra Fileta will help couples better understand the four seasons of healthy relationships.	
6/14		Greg Koukl pulls from his over 30 year of experience debating atheists and agnostics to help you share your faith with grace and truth.	
6/11		Claire Culwell’s birth mom was just 14 years old when she gave birth to her daughter after an abortion procedure that took the life of her twin in the womb. Jim Daly sits down with Tonya and Claire to discuss the circumstances of the abortion attempts and how-though forgiveness – God has healed their relationship and emboldened them to speak out for preborn babies.	
6/10		Fawn Weaver took a worldwide tour to learn the secrets of happy marriage.	
6/7		Brandon and Analyn Miller encourage parents to discover their children’s strengths.	
6/4		Pastor Ted Cunningham offers wisdom to newlyweds about the importance of separating emotionally, relationally, and financially from their family of origin.	
6/3		Kay Wyma decided to spend the next 30 days using moments to intentionally pursue peace.	
6/2		Greta will inspire parents to get their kids outside their daily routines and experience the thrill of adventure as a family.	
5/31-6/1		When former Navy SEAL Chad Williams graduated the incredibly grueling SEAL training, he was faced with depression and emptiness as he contemplated his future, and he became lost in drunkenness.	

Issue	Program Information	Brief Description
	5/27-28	Rob Parsons shares biblically-based pearls of wisdom on life and love for his grandchildren; ideas that he's written down to help them avoid some of the difficult lessons that he learned as a young man.
	5/26	In their inspirational story, the Bainters share about the strength and redemption offered through Christ in times of great difficulty.
	5/24-25	Drs. David and Jan Stoop discuss the concept of emotional intelligence – the ability to understand your emotions, as well as your spouse's.
	5/21	Deborah Pegues examines twelve traits of strong leadership and counters that with tendencies we need to let go.
	5/19-20	Mark and Jill Savage share their own personal story of rebuilding trust in their own marriage after infidelity.
	5/17-18	Jim Daly and John Fuller talk with Dr. Jeremy and Mrs. Jerusha Clark about their book. They share an overview of what is going on in the teen brain from a neurological perspective, how to understand your teen's emotions, and the impact of puberty and hormones on your teen.
	5/14	Gary Thomas encourages couples to make a daily effort to go beyond the “duty” of love, and combat the natural inclination to drift apart by choosing to see the best in their spouse.
	5/12-13	Dr. Kevin Leman offers advice to help parents transform their child's behavior.
	5/11	Brian Noble describes how conflict can be a force of good or bad in our lives.
	5/10	Jason Johnson shares stories from his own foster parenting journey.
	5/7	Heidi St. John offers encouragement to you as a mom, especially if you feel afraid, overwhelmed, and discouraged by everyday tasks.
	5/6	Kathi Lipp speaks honestly about her struggles to have an effective prayer life.
	5/5	Stephen Arterburn helps listeners to better understand and assist loved ones in their healing from depression.
	5/4	Dr. Mohler and Jim Daly will help believers meet the challenges and demands of secularism with hope, confidence, conviction, and the gospel, even as our influence may appear to be waning.
	5/3	Author Melanie Shankle offers a humorous look at the differences between men and women.

Issue	Program Information	Brief Description	8
4/29-30		Kay Wyma shares powerful stories illustrating her own family's struggles with feeling overwhelmed, and reminds us that we can only find our worth and identity in Jesus Christ.	
4/28		Author Sarah Smith shares her journey through caring for her mother as she battles Alzheimer's.	
4/26-27		Author's Greg Smalley and his brother Michael help men know how to better communicate and interact within their primary relationships, especially their marriages.	
4/23		Stephen Arterburn offers practical tips for how we can walk through a process of healing successfully.	
4/21-22		In a dynamic message of marital restoration, Patricia Ashley shares her testimony of a painful five years with her husband and how the Lord worked a miracle in their hearts.	
4/19-20		Dr. Gary Chapman and Arlene Pellicane reveal how technology is changing our kids – impacting the brain, relationships, safety and emotional health.	
4/16		Pastor David Gudgel explains how parents can influence their teen and young adult children to avoid the risks of cohabitation and instead choose God's design for marriage.	
4/14-15		Jodie Bendt offers parents guidance for how they can move frequently and effectively pray for their children.	
4/13		Describing how his world was turned upside down when his son was diagnosed with severe autism, Jason Hague talks about living with a broken heart and seemingly unanswered prayer.	
4/12		Patrick Schwenk and his wife, Ruth, offer help for maintaining a thriving marriage amidst the demands of parenthood.	
4/9		Becky Kopitzke describes how frustrated moms can identify what triggers their anger, embrace forgiveness and grace, and offer kinder, gentler responses to their children for a more peaceful home.	
4/7-8		Author and speaker Ron Deal offers couples in blended families advice on how they can assess the strengths of their marriage and improve on areas of weakness.	
4/2		Christian apologist and best-selling author Lee Strobel shares his story of coming to faith in Christ, and then examines the events of Good Friday and Easter Sunday.	
4/1		Author Becky Kiser offers practical guidance for making special days – more meaningful and enjoyable for your family.	

Issue	Program Information	Brief Description
<p>News Local Hourly R.O.S. Basis</p>		
6/28-29		State Representative Greg Markkanen announced that the Charter Township of Calumet has been awarded a grant to provide people with improved, more efficient infrastructure.
6/28-29		State lawmakers are considering a tax deduction for unborn children lost to early miscarriage.
6/18-20		Governor Whitmer attended a press conference recently at the Michigan Capitol Building with lawmakers to unveil a bi-partisan plan to increase access to childcare for Michigan families.
6/14-15, 19-20		New Stem Cell Research Guidelines from the International Society of Stem Cell Research violate the Michigan Constitution.
5/31-6/1, 6/5-6		Right to Life of Michigan supports a ban on targeted abortions, sponsored by Representatives Julie Calley and Andrew Fink. The legislation would make it a felony punishable by up to two years in prison for someone who knowingly performs one.
5/24-25, 29-30		Sending abortion-inducing pills through the mail creates the issue of women's safety and reveals Planned Parenthood's move to see even more abortions in the U.S.
5/17-18, 22-23		The Health and Human Services budget is in the works at the state capitol. Right to Life of Michigan is grateful for Mary White for pro-life provisions in the bill, though the budget is not yet finalized.
5/10-11, 15-16		One of the ethical debates surrounding in-vitro fertilization is how long embryos can be experimented on before being destroyed. There are demands to remove that limit.
5/13-14		The Marquette County Habitat for Humanity announced recently that they broke ground on their 107 th home build in Ishpeming.
4/2-4		Affordable Child Care is crucial support for working parents, and it rivals the cost of college or housing for some Michiganders. Mary Schuermann explains.
