MANAGEMENT PROGRAM TRAINING: WKAQ has partnered with an in-house counsel to provide educational legal training programs for Telemundo of Puerto Rico managers and supervisors. Employee EEO Training:

All Station employees and management are required to attend an annual mandatory training (by each September) on methods to ensure equal employment opportunities and to prevent employee harassment and discrimination. "**Respect in the Workplace**" is a training course that outlines the company's policies regarding the prevention of harassment and discrimination in the workplace. All the Station's employees completed this training.

Skills Enhancement Training:

NBCUniversal provides its employees with training that is designed to enable station personnel to acquire skills that could qualify them for higher level positions. The Talent Lab is NBCUniversal's suite of nomination-based learning and developmental experiences that are uniquely designed to develop and engage NBCUniversal employees. It consists of five "tracks" with several underlying programs and experiences designed to develop leadership capabilities, enhance business acumen, and help shape and define culture within NBCUniversal.

NBCUniversal's diverse employee population is reflected in our affinity groups. These voluntary organizations focus on the professional development of their members by creating opportunities for coaching, mentoring, and networking with employees and senior management. In addition, they are a major force in driving recruitment and retention of top talent in the organization. Participation in these groups is open to all employees. Established affinity groups at NBCUniversal, including APA@NBCUniversal, BPA@NBCUniversal, Out@NBCUniversal, The NBCUniversal PWD (People with Disabilities), Unidos@NBCUniversal,

Veterans Network, The Women's Network @NBCUniversal (WNN) and others, provide professional networking and skill development courses to employees.
