

**Certification of Compliance: FCC Children's Television Requirements**  
**July 1, 2019 through September 30, 2019**

On behalf of the Trinity Broadcasting Network (TBN), this is to certify that the program services named below comply with the FCC's children's television programming and commercial time limit obligations specified in FCC Rules 73.671 and 73.670 (47 CFR 73.671 and 73.670), respectively.

TBN is a not-for-profit, tax-exempt church corporation qualified under section 501(c)(3) of the Internal Revenue Code (26 USC 501(c)(3)). During the period of time covered by this certification, TBN did not air more than 10.5 minutes of commercial matter per hour during children's programming on weekends, or more than 12 minutes of commercial matter per hour on weekdays.

The following children's programs aired during the period of time covered by this certification:

|                     |                                |
|---------------------|--------------------------------|
| The Story Keepers   | VeggieTales                    |
| Pahappahooey Island | Superbook                      |
| RocKids TV          | Adventures in Booga Booga Land |
| Hermie and Friends  |                                |

This certification is provided for the digital program service broadcast on cable television systems for TBN\*.

This certification is true and correct, to the best of my knowledge and understanding, and is made this 4th day of October, 2019.

\* As specified in Children's Television Obligations Of Digital Television Broadcasters, FCC 04-221 (¶24), "digital broadcasters [are permitted] to air all of their additional [three (3) hours of] digital [children's] core programming, beyond the three (3) hour baseline on the main digital program stream, on one free digital video channel or distribute it across multiple free digital video channels, at their discretion, as long as the stream/s on which the core programming is aired has comparable carriage on multichannel video programming distributors ("MVPDs")." Accordingly, the combined JUCE and SMILE program service has a core block of children's programming of a minimum of nine (9) hours per week. Three (3) hours of that block provide compliance with FCC Rule 73.671 for the TBN Enlace service. In addition, the TBN and the TBN HD service provide a Saturday core block of a minimum of three (3) hours children's programming.
