## Orders for NAB Performance Tax Issue Spots

Good morning everyone. As mentioned last week, we are now ready to have you create orders we have been asked to run on behalf of the NAB regarding Performance Tax legislation. These should be coded as LOCAL DIRECT POLITICAL ISSUE spots, 5x/day 30s spots ON EVERY CUMULUS STATION, Mon-Sun (not auto-weekly) 5a-Midnight full rotation, fully pre-emptible without notice P90, starting this Wednesday March 30 and running through September 6. It is a no-charge order.

This order WILL NOT impact your LUR given the broad rotation; also the FCC confirmed that this issue order on behalf of the industry should not be considered in setting your LUR for other political orders.

The link to the request to air to the broadcasters (which you can use in lieu of an insertion order for your records), downloadable spot creative, and the NAB's NAB form is below. I posted the NAB's NAB form last week as well.

[https://www.nab.org/performance-tax-resources/...](https://www.nab.org/performance-tax-resources/)

There are two spots for English language stations. Please use even spot creative rotation. If Spanish language creative is appropriate for your station, there is Spanish creative as well that can be used.

Upload the corresponding WideOrbit order details and the COMPLETED NAB form (with station info and authorized station rep signature) AS SOON AS POSSIBLE to each of your stations' Political Issue public file. Use the naming convention: 123456 (station 6 digit WO order number)-National Association of Broadcasters-WXYZ-REVISION.

Please use this client name and naming even if you used another name when you uploaded the original NAB form last week. Leave the original NAB form you uploaded last week in your public political file as is.

THANK YOU!!!
