

Issues/Programs list April 1, 2021 – June 30, 2021

The most significant community issues during this period covered by Nevada Public Radio are listed here. The producers and Program Director direct the content and selection of the program **KNPR's State of Nevada** airing weekdays 9 – 10 a. m. and 7 – 8 p. m.

- COVID-19 Vaccine Hesitance/Reluctance
- Las Vegas Strip comes back to life
- Critical Race Theory debate in Nevada's school districts
- Drought emergency declarations in the West
- Real Estate continues its boom

KNPR also broadcasts regularly scheduled programs from NPR, including *Morning Edition*, *All Things Considered* and more, which respond to issues of importance to the community.

[Shot In The Arm: Business Booms Across Las Vegas Valley](#)

Jun 29, 2021

When vaccinations increased, so did business in Nevada. But not just a little. The business has exploded, in some cases, drawing record customers and revenues.

[Many Las Vegas Hospital Workers Pass On Getting COVID Vaccine](#)

Jun 29, 2021

More than six months after the coronavirus vaccine became available to hospital workers in Nevada, thousands have yet to get the shot.

[Nevadans Define Patriotism](#)

Jun 28, 2021

The Fourth of July is a time for patriotism and patriotic music. But what is patriotism, and what makes a song patriotic?

[New Nevada Law Puts More Teeth Into Exotic Animal Regulations](#)

Jun 28, 2021

A new Nevada law seeks greater regulations of exotic animal ownership, including limiting how the public can come in contact with dangerous captive animals.

[A History Of Cannabis In Nevada](#)

Apr 19, 2021

It's April 20th, or 4-20, some four years after cannabis sales were legalized in Nevada.

[Chapter 1: The Water Protectors](#)

Apr 19, 2021

In the spring of 2020, the Southern Nevada Water Authority dropped its plan to pump hundreds of thousands of acre-feet of groundwater from Eastern Nevada and pipe it 300 miles south to Las Vegas. Opponents of the plan, including several Native tribes, believed the project would have depleted precious water sources. There were many efforts to stop that project in the decades it was on the table. In this episode, we look at one that was by Indigenous people for Indigenous people: a 330-mile prayer run inspired by similar events objecting to the Dakota Access Pipeline and the reduction of Bears Ears National Monument.
