SECTION 5. WWDP 3Q 2022 PUBLIC SERVICE ANNOUNCEMENTS

CAMPAIGN	TITLE	DESCRIPTION	LENGTH	# OF AIRINGS
Adoption From Foster Care	Suitcase	Thousands of teens in foster care are waiting for the love and support from a family, but unfortunately almost 20,000 young people leave foster care without a family every year. Inspired by real families' stories, this honest and heartfelt campaign reveals the remarkable value there is in adoption for both teens and parents. Since the campaign's launch 15 years ago, more than 30,000 children once listed on AdoptUSKids.org have been placed with permanent families.	:30	50
American Cancer Society	The Conversation	The American Cancer Society is a nationwide, community-based voluntary health organization dedicated to eliminating cancer as a major health problem. The American Cancer Society's mission is to save lives, celebrate lives and lead the fight for a world without cancer, including cancers caused by HPV or Human Papillomavirus.	:30	50
Best Friends Animal Society	Save Them All	Goofy grins and soothing purrs ... ridiculous ears and reassuring paws. They motivate us to get moving and remind us when to slow down. They provide us with a much-needed laugh, companionship and unconditional love. They are our best friends. Share this special reminder of what's important in life and help Best Friends spread the word about adopting your next pet. Together, we can Save Them All®.	:15	35
Boys & Girls Clubs of America	Whatever It Takes	Boys & Girls Clubs of America is a youth-serving organization that provides millions of kids opportunities for a great future by offering safe places, caring mentors and life-enhancing programs focused on academics, health, and leadership. For more than 150 years, Boys & Girls Clubs have relentlessly provided young people with the guidance to be innovative, brave and confident.	:60	55
Child Car Safety	Hustle	Motor vehicle crashes are a leading cause of death for children age one to 13. Parents go to great lengths to ensure their children are safe and protected—but when it comes to car safety, many let their guard down. To ensure parents and caregivers are properly securing their children in the best car seat restraint for their age and size, they can visit NHTSA.gov/TheRightSeat or NHTSA.gov/Protegidios .	:30	40
Child Mind Institute	A Voice for Children	There are more than 17 million young people struggling with mental health disorders in the United States. That is 1 in 5 children, more than the number of children affected by cancer, diabetes, AIDS and asthma combined. The Child Mind Institute is an independent national nonprofit organization exclusively dedicated to transforming the lives of children and families struggling with mental health and learning disorders.	:15	35
Cura Foundation	My Biggest Light	The UNITE TO PREVENT Campaign is sponsored by the Cura Foundation a nonsectarian, nonpartisan, public global health organization committed to improving human health and increasing quality of life. The UNITE TO PREVENT Campaign reinforces that it will take perseverance from everyone to stay vigilant and do their part by getting vaccinated and continuing to follow safety protocols to ultimately defeat COVID-19.	:30	25
Dave Thomas Foundation for Adoption	Before I Was Adopted	The Dave Thomas Foundation for Adoption is driven by a single goal: finding a loving family for every child waiting in foster care to get adopted. We are America's only national nonprofit charity dedicated solely to finding permanent homes for the more than 110,000 children in foster care.	:15	30
Discovering Nature	Forest Trail	Studies show that when kids spend time outdoors, they become healthier, have lower stress levels and develop stronger immune systems. They also become more creative, and have greater respect for themselves, other people, and the environment. Our campaign encourages parents and caregivers to reconnect with their family and nature by experiencing it firsthand. Through exploration of local forests and parks, kids can build a lifelong connection to nature.	:60	35
Empowering Girls in STEM	Unstoppable STEM	While women make up half of the U.S. college-educated workforce, they hold only a little over a fourth of all STEM jobs. Research shows that young girls like STEM subjects—science, technology, engineering and math—but often feel that STEM isn't for them due to outdated stereotypes. Girls are scared to fail in STEM, but She Can STEM shows girls that STEM is in everything, and experimenting is part of the journey.	:30	50
Ending Hunger	4-On-4	These are uncertain times for everyone, but for households facing hunger, the coronavirus fallout—including school closures and job disruptions—can present an even greater threat. Millions of Americans, including children, will turn to food banks for much needed support. As the largest hunger-relief organization in the United States, The Feeding America network of food banks feeds millions of families each year, especially during times of disasters and national emergencies.	:60	35
Fatherhood Involvement	Doors	What is #Dadication? It's just like dedication but it means that as a father, you never stop being a dad. The Fatherhood Involvement campaign PSAs highlight the everyday struggles and victories of being a dad to give all fathers the confidence and encouragement to keep going. The campaign hashtag "#Dadication" is part of an ongoing effort to encourage dads to play an active role in their children's lives.	:30	40
Feed the Children	Learn More	Feed the Children, a 501(c)(3) nonprofit organization, has pursued its vision of a world without childhood hunger since 1979. Active in the United States and in 10 countries across the world, we are dedicated to helping families and communities achieve stable lives and to reducing the need for help tomorrow while providing food and assistance to help them today.	:60	30
High School Equivalency	Jessica	For more than 34 million American adults without a high school diploma, opportunities are limited. Many are living in poverty. But it's not too late. Since 2010, FinishYourDiploma.org has connected more than one million people with free adult education classes to help them earn their high school equivalency, so they can connect to a better tomorrow.	:60	40
Make-A-Wish Foundation	Poem, Lasso	The new Make-A-Wish® "Lasso" PSA aims to communicate the imperative role that everyday people play in helping make every wish come true for children battling critical illnesses. The PSA features a voiceover from actor and WWE® Superstar John Cena, who has granted more wishes than any other celebrity wish granter, in addition to a special re-recording of "A Sky Full of Stars" from award-winning musicians Coldplay.	:30	55
Middle School Mental Health	Sound It Out	There is a mental health crisis among our country's youth. Young adolescents (10-14) are experiencing increased rates of mental health challenges. Sound It Out uses the power of music to help parents and caregivers have meaningful conversations with their middle schoolers about emotional wellbeing. We paired middle-school aged kids and their caregivers with musical artists, like KAMAUU, Tobe Nwigwe, Empress Of, and Lauren Jauregui, to create an album of exclusive songs inspired by the emotions in their conversations.	:30	45
SPARK - The Simons Foundation	Importance of Science	SPARK is the largest research study of autism ever. SPARK stands for 'Simons Foundation Powering Autism Research for Knowledge'. The mission is simple: to speed up research and advance our understanding of autism to help improve lives. By studying genetic, behavioral, and medical information from hundreds of thousands of people SPARK is advancing autism research.	:30	40
St. Jude's Children's Research Hospital	Griffin	At St. Jude Children's Research Hospital, our mission is clear: Finding cures. Saving children. Because most of our funding comes from individual supporters, families never receive a bill from St. Jude for treatment, travel, housing or food—because all a family should worry about is helping their child live. St. Jude won't stop until no child dies from cancer.	:60	30
Teach	Depends on Teachers	TEACH, a non-profit organization founded by the U.S. Department of Education, partners with State Departments of Education, school districts, and universities to rebrand the teaching profession and modernize recruitment to attract the next generation of talented, diverse educators. As we succeed in our mission, we will reverse the current teacher shortage.	:15	30
World Wildlife Fund	Together Possible	When it comes to addressing the complex environmental issues that impact our planet—such as deforestation, climate change, water scarcity, and illegal wildlife trade—the only way we can spark change that will really make a difference is by working together. WWF partners with government officials and local communities; consumers and business leaders; fishers and ranchers; universities and multinational institutions—all to reach conservation solutions that we couldn't reach alone.	:30	50
