Issue: Agriculture

Program Overview: Agriculture plays a big role in Door and Kewaunee County. We are routinely in contact with our local UW-Extension office for the latest in agriculture news in the area. Many of the topics included manure spreading since nutrient management plans and how they relate to groundwater in the area remains to be a hot topic. We also reached out to a selection of farmers and agriculture professionals to form the Door County Daily News Agriculture Advisory Board. Our station also started "More Milk Mondays," which we buy milk drinkers at four local restaurants their first glass of milk to support our dairy farmers in Door and Kewaunee County. Our series regarding Farm Technology Days wrapped up as the event was held in Algoma in July.

Program/Segment	Date	Time	Duration	Description of Segment
Radio	0403-0418	noon, 3pm, 7pm, 11pm, 1am, 6 am, 11 am 2 pm	45 seconds	Aerica Bjurstrom from Kewaunee County UW-Extension discusses the impact of low crow prices.

Issue: Sustaining Area Non-Profits

Program Overview: DoorCountyDailyNews.com and its radio stations is extremely generous in its coverage and its donation of ad time to local non-profits in the area. The Door County Community Foundation and Open Door Pride receive four ads for free every day to promote some of the great charities in Door County. We took a swing through local food kitchens and depositories to check their levels and to see how they are making a difference in their community.

Issue: Education

Program Overview: DoorCountyDailyNews.com is very blessed to have seven great schools in its listening area that is always willing to talk about the good news going on at their schools. Once a month, superintendents from Southern Door School District, Sevastopol, and Sturgeon Bay School District come in studio and spend an hour with us bragging about the good news in their buildings. Superintendents from the other school districts in our area also come on from time to time to talk about the good news of their buildings as well. The school superintendents also took time to talk about the issues going on in Madison that affected their craft, including school testing and school accountability.

Issue: Environmental Issues

Program Overview: A big topic in Door and Kewaunee County concerns groundwater issues as they relate to manure spreading. During our news segments, we talked to farmers who spread manure and to people who are affected by manure spreading. Kewaunee County passed legislation banning manure spreading for close to four months to start the year in some areas and conducted a series of workgroup meetings with various stakeholders trying to find a solution to all of the problems going on in the area.
