December 1, 2014 – December 1, 2015

Station Outreach Initiatives:

Employee Training:

KVRR implements training within departments throughout our group ownership. Department Managers travel to various locations implementing company practices and procedures regarding news, creative services, engineering, and sales. Encouragement is given to all employees regarding career advancement within group ownership.

Internships:

KVRR has participated with three internships over the past year with Northwestern University and Minnesota State University Moorhead.

The students are enrolled in journalism or communications programs in college. Students taking part, work 10-25 hours per week getting hands-on experience in reporting and/or photography. Students shadow reporters and photographers and attend newsroom meetings. After the student is trained they receive real newsroom experience in writing, shooting and editing stories. Students are evaluated at the end of the program and evaluations are submitted to the college attended.

Recruitment:

KVRR's News Director and Chief Meteorologist took part in the Tri-College News Leadership Program for women. A mock press conference was held where students were judged on writing press releases and conducting themselves during a press conferences. Journalism students were recruited during this event.

KVRR's News Director is involved with the Communications Department at North Dakota State University, Concordia College, and Minnesota State University Moorhead actively recruiting journalism students.

KVRR's Corporate News Director is involved within the Broadcast Journalism Departments at St. Cloud State University, University of Minnesota, and University of St. Thomas actively recruiting journalism students. He is also using LinkedIn as a recruiting tool. Over the past year he has expanded his network to nearly 2,000 people. Most of them are either about to graduate and looking for their first job, or in their first broadcast journalism jobs and looking to move up.

KVRR's Chief Meteorologist has conducted 20 speaking engagements over the past year to various organizations and public schools within our viewing area.

Management Training:

All Managers at all locations are updated various times during the year regarding new FCC policies, political advertising issues, EEO rulings, human resource issues, etc. Managers receive materials to better educate their individual Department Managers and employees. Webinars and Skype sessions are conducted on various topics of interest and concern.
