

JANUARY SCHEDULE

The Picture of hope

While things have been a little uncertain lately, **there are steps we can take to bring certainty to our lives.** Together, we can create a beautiful picture for the future.

A charitable gift annuity with us is an outstanding way to bring some **predictable, confident good news** for you today and tomorrow.

With a gift annuity, you receive payments back at a fixed rate for as long as you live. You also receive:

- Possible income tax benefits.
- Possible capital gains tax benefits.
- Steady, dependable payments in the same amount, no matter what the economy does.

If the image of a lifetime of predictable, steady payments combined with tax benefits looks good to you, please call or email us. We can tell you your rate and all your benefits. Unlike a portrait that captures only one moment in time, a gift annuity gives you many moments of hope and joy as payments arrive. Any remaining funds support our mission, giving you a lifetime of happy memories, and many more for our mission in your name.
