

ISSUES/PROGRAMS LIST

This is to serve as formal notification that station WWAZ-TV was off the air during the period July 1, 2009 through September 23, 2009. From September 23, 2009 through September 30, 2009, the station has no meaningful programming on the air since it was conducting tests as it had just returned to the air. Therefore, the station does not have a Programs/Issues report on file for the noted period.

The proper FCC notifications were filed and said FCC notifications are in the WWAZ-TV Public File.
