RE: PUBLIC FILE NOTIFICATION – WWAZ-TV FOND DU LAC, WI

This is to serve as formal notification that station WWAZ-TV was off the air during the period July 1, 2008 through September 30, 2008. Therefore, the station does not have a Programs/Issues report on file for the noted period.

The proper FCC notifications were filed and said FCC notifications are in the WWAZ-TV Public File.
