FamilyNet also broadcasts Public Service Announcements, but specific content is not known. In addition, FamilyNet regularly airs a number of informational programs, such as the 700 Club, which airs weekdays at noon, and Christian World News, which airs Mondays at 9:00 a.m. The 700 Club is a one-hour magazine program that includes daily news segments, commentary on a wide range of political and social issues and current events. Christian World News covers a wide range of subjects of concern for Christian.

WWAZ-TV also airs several children's programs such as:

Nana Puddin' Show

WWAZ-TV has also begun a Community Calendar feature, which will contain announcements of upcoming events of community interest. Promotional announcements for the Calendar were aired six times during the quarter.

WWAZ-TV will continue to assess issues of importance to our community and air programming and announcements designed to meet those needs.
