January 07, 2007

To Whom It May Concern:

WWAZ-TV's primary source of programming this quarter was the FamilyNet network. In addition to FamilyNet, we aired a 30-minute locally-produced program once per week. This program, called Community Showcase, has topics which we believe are of local significance. The program is aired Wednesday mornings at 8:30 am, and often contains a number of Public Service Announcements. Community Showcase episodes for this quarter were as follows:

Program topic: Blood Donation I	October 03, 2007, October 24, 2007, November 14, 2007, December 12, 2007, December 26, 2007 (Community Involvement)
Program topic: Blood Donation II	October 10, 2007, October 31, 2007, November 28, 2007, (Community Involvement)
Program topic: Crash Simulation	October 17, 2007, November 07, 2007, December, 05, 2007, December 19, 2007, (Impaired Driving Presentation)

FamilyNet also broadcasts Public Service Announcements, but specific content is not known. In addition, FamilyNet regularly airs a number of informational programs, such as the 700 Club, which airs weekdays

at noon, and Christian World News, which airs Mondays at 9:00 a.m. The 700 Club is a one-hour magazine program that includes daily news segments, commentary on a wide range of political and social issues and current events. Christian World News covers a wide range of subjects of concern for Christians.

WWAZ-TV also airs several children's programs such as:

Nana Puddin' Show

Flip Flop Shop

Lil' Iguana

View From the Zoo

Buzz and Poppy

Adventures in Odyssey

WWAZ-TV has also begun a Community Calendar feature, which will contain announcements of upcoming events of community interest. Promotional announcements for the Calendar were aired twice during this quarter.

WWAZ-TV will continue to assess issues of importance to our community and air programming and announcements designed to meet those needs.
