So, there's physical health and then there's mental health. 10/23/23	Ask the Pastor #102323	6 minutes	Recreation/Tourism	Is it okay to workout at a gym? It's okay for several reasons. First and foremost, for me, I like working out for just self-esteem purposes, I feel better when I think I look better. When I have more energy also. God is a healing God, you know, by his stripes we are healed, but I think more so God is a God who likes health, you know, prosper and be in health even as our soul prospers. So, he wants us healthy.

10/26/23	Ask the Pastor #102623	7 minutes	Medical Problems	How should a Christian view weight loss? Does God care if I'm a few pounds overweight? God loves you. He cared for you and he wants you to be in good health. I think that we have to look at this from a couple different point of views and one of the one of the things, you know, there are such things as eating disorders. Now, if you have an eating disorder to be overweight and have that issue you may need medical help. But I believe we have to be careful what we put in our mouths, but we also have to be careful that we are feeding ourselves properly, spiritually, and I believe that will help staying balanced.

10/27/23	Ask the Pastor #102723	1 minute	Medical Problems	If God heals you, can the same sickness come back? James 1:17 it says this is whatever is good and perfect is a gift coming down to us from God our Father who created all the lights in heaven. He never changes or cast a shifting shadow. So, we know that every good and perfect gift comes from above. God doesn't bring sickness on anybody because every good and perfect gift comes from above and so let me just leave you with that.

Doctors told his family that he might not wake up and that was a very hard conversation. Meanwhile his family cried out to God and the Holy Spirit spoke to me and said just stand. I knew then that I could stand on who he was, that he was healer, that he was in control and I didn't even have to worry about having all the words to pray, that I could just stand. We will not know how it's going to look and what's going to be the thing that sets it on. What we need to do is make sure that when he comes because we are sure that he is coming, we are ready. The war in Israel is a terrifying thing
10/26/23	Ask the Pastor #102623	4 minutes	War/Terrorism	Will we see peace in Israel? Well, we have to understand that our idea of peace as human, it's not God's idea of peace. God's idea of peace is His will being completed. That the promises that he set forth are coming to pass now. Sometimes when we go through those things there's challenges that come with it. And unfortunately, Israel is going through some of that right now, but it does not change the promise of God.

10/09/23	Ask The Pastor #100923	5 minutes	Recreation/Tourism	Does is offend God if we celebrate our earthly birthdays? I would say absolutely not. I believe that we have two birthdays. I think we have a birthday when we're born into the natural and God has created us, he is the light of men and we celebrate our birth as a result.
