This list is by no means exhaustive. The order in which the issues appear does not reflect any priority or significance.

Description of Issue	Program	Date	Duration	Description of Program
Education	Reino Animal	7-Oct	2 hrs.	Reino Animal is a program that emphasizes children's learning about nature, animals and ecology. In today's episode we'll learned more about mammals and birds. How do they adapt to their habitat. What they feed on and how they survive in the jungle. Each segment includes trivia questions, so the little ones can learn.
Education/Health	Mano Amiga	8-Oct	30 mins.	On this edition of Mano Amiga, we emphasized the importance of blood donation and how people can get involved in their community, by helping the blood banks, this action it's crucial to saving more lives. Helping the community is very important to the Universal Church, that is why they support the blood drives in order to spread the message around the neighbourhood. Another important message during this segment is our food bank giving back to the community that was hit hard by the pandemic. Our food bank is always helping people in need to bring food to their tables. We go around the world to see the work the church is doing in different countries. Our next stop is Portugal..
