FCC Quarterly Summary for Public Service Announcements

Run Dates: Start JAN End MAR Quarter 1Q Year 2018

List of PSA's scheduled during this period: (See Attached)

The station's **Issues/Program List** is an FCC required set of documents that need to be kept up-to-date and in the station's Public File. It must be filed once every three months by the 10th day of the next calendar quarter. For instance: the Issues/Program List for the First Quarter (January/February/March) must be filed by April 10. The list must include those issues which the station provided significant treatment of during the previous three-month period and a description of specific programming that dealt with these issues. Information needs to be submitted to the Programming Department at least two working days before the filing date of the 10th.
