Burt Broadcasting is a special stop for Jr. Leadership Otero County. This is an annual event which takes High School Juniors to many different businesses and public facilities, including the Burt Broadcasting radio stations, to explain how each business works with the goal of sparking additional interest in our community and in one or more of those businesses as a possible career choice.

Burt Broadcasting stations are sponsors of Fourth Fridays at Alameda Park Zoo. These events provide free zoo admission, along with live music, outdoor movie, food vendors, prizes, giveaways, and more. Because Burt Broadcasting is a sponsor of this event, members of the public come to think of a broadcaster's work in connection with fun, and this even thus promotes the idea of working in broadcasting generally. The events will take place the fourth Friday of May, June, July, and August, and began on May 25, 2018.
