Hello,

Hope all is well. We are trying to reconcile a political buy that ran in April 2018. Your station was paid in advance but we have not received the invoices/affidavits.

The invoices we need are listed below. Would you kindly email them to me so we can process them and send over to the client. **For future reference, please send invoices electronically, email or snail mail by the 5th of each month after the broadcast month has ended.**

****All spots must be billed at a gross cost per spot****

****All invoices must have spot times and dates****

****Invoices should always show est and product name****

****Each est. should be billed on its own invoice and match the gross ordered amount****
