Quarterly Issues & Program Report

2nd Quarter
April, May, June 2020

Prepared by Chris Evans, Producer
Public Affairs

Entercom Communications, Inc.
25 Garlington Road
Greenville, SC 29615
Phone (864) 271-9200

Table of Contents

- 1.** Methodology
- 2.** List of Ascertainment Issues
- 3.** List of Local Shows, Days, Times and Community Leaders/Guests Interviewed for Ascertainment Purposes.

Methodology

The methodology used in determining what issues affect the WYRD-FM listening area is a combination of interview, telephone, and personal contact with:

- 1.** The listening public (daily concerns)
- 2.** Government leaders and public officials
- 3.** Community leaders of the Upstate (volunteer and non-profit agencies)
- 4.** Upstate business leaders
- 5.** Area educators

Public Affairs programming aired by WYRD-FM is designed to address the needs, concerns, problems and issues of the aforementioned individuals.

DAILY TOPICS

Q2 – April, May, June 2020

The Tara Show – Weekdays 6 AM – 10 AM

Programming content included discussion with listeners and experts in the associated field of discussion.

- Wednesday 4/1/20: Governor McMaster issues shutdowns for non-essential businesses; Decisions on which businesses are essential has nothing to do with how clean they are; Suspending rent payments doesn't take landlords into account; Governor McMaster issues shutdowns for non-essential businesses; Which businesses are essential is unclear; Nancy Pelosi predictably lies to blame Trump for not handling COVID outbreak well enough; Trump admin overestimating COVID deaths on purpose to claim victory when the reality is lower; Oil industry in US suffering because of coronavirus; Whether hospitals will be able to handle the number of severe coronavirus cases; FBI made up evidence it presented to the FISA court to get warrants to spy on Trump campaign; Deaths being blamed on Trump that aren't even from coronavirus; More clothing tops selling than bottoms as people increasingly work from home; Severe weather headed for SC during COVID outbreak
- Thursday 4/2/20: 911 now asks if anyone has symptoms and won't respond except to active situations; Business closure orders aren't related to reducing crowding or increasing social distance; More clothing tops selling than bottoms as people increasingly work from home; Police can't enforce stay-at-home orders if they won't respond to non-violent active situations; Bill Gates is surreptitiously behind a lot of the current COVID-19 policy; 70% of Americans willing to stay home "as long as asked"; Media reporting on coronavirus designed to terrify people and obscure facts; Adam Schiff wants hearings on how Trump's administration is handling the COVID-19 epidemic; Unemployment numbers double the record set last week; Choosing economic death over coronavirus fears
- Friday 4/3/20: Business closure orders aren't related to reducing crowding, cleanliness, or increasing social distance; Reporting on coronavirus cases leaves out the impact of other health issues; Dr. Fauci says the economy can start back up when there are "no new cases and no deaths" from coronavirus; Police cracking down on social distancing violations; We should be trying to flatten the curve on unemployment; COVID projections are wrong because they use inflated numbers; FBI made up evidence it presented to the FISA court to get warrants to spy on Trump campaign; People worried about the doubling rate of coronavirus but not the doubling rate of jobless claims
- Monday 4/6/20: Trump needs to ditch his medical team and their modeling because they're constantly wrong; Interview with Nevada radio talk host Heidi Harris - Course of coronavirus not as bad as predicted in the US; Hospitals sit empty and staff furloughed as SC waits for the COVID-19 surge; Media ridiculously inconsistent on blaming China for coronavirus; Death count from coronavirus inflated because of new categorizing guidelines; Choosing economic destruction because of coronavirus fears; Biden complains that Trump's coronavirus travel ban wasn't too soon enough; Homeschooling in the days of COVID-19; Lotteries suffering with increasing coronavirus fears; Tiger at Bronx Zoo tests positive for COVID-19; Tiger King is insane
- Tuesday 4/7/20: McMaster's stay-home orders make no sense at this point and will only hurt the economy; Janet Yellin predicts economic depression from 'Flatten the Curve' measures; Democrats acting like they want to prolong COVID-19 epidemic; Mortgage market on the verge of collapse; Collapsing the American economy; Whether Trump can survive COVID-19 epidemic and get reelected; COVID policy is economic psychic warfare

- Wednesday 4/8/20: Greenville County School announces it will grade students based on participation during COVID-19 shutdown; Death stats staying level despite coronavirus pandemic; Sweden was able to flatten their curve without shutting down; Tucker Carlson asks questions the Media should be asking about COVID-19 epidemic and our response; Interview with SC AG Alan Wilson - Enforcement of McMaster's order; Nancy Pelosi wants special election rules to make it easier to cheat
- Thursday 4/9/20: Unemployment claims top a million a day; Petitioning Governor McMaster to give up his salary and benefits until he lifts the orders shutting down the SC economy; Laurens County asking for citizens to report people not complying with executive stay-at-home orders; The Atlantic publishes op-ed wondering whether Trump might be right to blame China for COVID-19 pandemic; Biden now presumptive Democrat nominee after Bernie drops out but Obama still won't endorse him; Death count from coronavirus inflated because of new categorizing guidelines; Interview with Greenville County Sheriff Hobart Lewis - Enforcing Governor McMaster's order; COVID-19 not significantly more deadly than the common cold; Interview with PRISMA Health doctors Saria Saccocio and Kerry Sease - answering public questions about COVID-19 concerns
- Friday 4/10/20: Trump administration's predictions for COVID-19 pandemic were off by a factor of 33; Trump has until Monday (maybe) to reopen the American economy; Bill Barr says FBI investigation of Trump campaign had no basis and was intended to sabotage Trump's presidency; Democrats want to disburse stimulus money by race; Dems try to do maximum damage to Trump's economy by delaying stimulus package; Bill Barr says FBI investigation of Trump campaign had no basis and was intended to sabotage Trump's presidency; Petitioning Governor McMaster to give up his salary and benefits until he lifts the orders shutting down the SC economy; Stay positive and Happy Easter!
- Monday 4/13/20: Russian disinformation via the DNC fed the FBI's investigation of Trump (and they knew it); Media focus on coronavirus was to distract from damning news about Russia collusion investigation; Dr. Fauci now saying coronavirus has been in the US for weeks longer than originally thought; Proposed system to alert people's phones when they're near someone who tested positive for COVID-19; Fauci changes story about advising social distancing in February; Meat shortages as processing plants close because of coronavirus; Government could issue "immunity certifications" to allow people to move around freely; Police overstep their authority to disrupt church services in Mississippi and Kentucky; Liquor stores still open; Democrats holding up stimulus so they can continue blaming Trump; Misreporting COVID-19 deaths to increase Medicare payments
- Tuesday 4/14/20: McMaster shut down the state arbitrarily and is now opening it back up arbitrarily; More studies indicate the COVID-19 pandemic isn't as bad as predicted; Fauci having to walk back lies about his predictions and recommendations; New study shows liberals may actually have mental illness; Interview with 3rd District Congressman Jeff Duncan - Reopening the American economy in the midst of the COVID-19 pandemic; Stolen votes from mail-in voting
- Wednesday 4/15/20: JIM BOHANNON FILLS IN FOR TARA: Funding the WHO should be leverage for change; Warnings about Wuhan lab's potential for coronavirus outbreaks issued years ago; President's authority to reopen the American economy; What people are doing during the shutdown; Dirtiest places in your home; Joe Biden's potential running mates; Things to do during the shutdown; Churches ordered closed in Louisville, KY during shutdown; ENCORE PRESENTATION OF THE TARA SHOW (originally aired 4/14/20):

Interview with 3rd District Congressman Jeff Duncan - Reopening the American economy in the midst of the COVID-19 pandemic; Stolen votes from mail-in voting

- Thursday 4/16/20: JIM BOHANNON FILLS IN FOR TARA: The CCP coronavirus originated from the Wuhan lab not the wet market; Making sure you get your stimulus payment; Nancy Pelosi held up stimulus payments to do more damage to the economy; Swing states in the upcoming presidential election; Cutting back during the shutdown; The President's authority to adjourn Congress; SAT and ACT planning to let students take exams at home; Efficiency in voting not nearly as important as accuracy and integrity; Space Force has launched their first National Security Satellite; The dangers of remote voting; Adapting to the COVID-19 circumstances; Positive shutdown stories; Russian disinformation via the DNC fed the FBI's investigation of Trump (and they knew it)
- Friday 4/17/20: JIM BOHANNON FILLS IN FOR TARA: Trump administration issues guidelines for Phase 1 of reopening the economy; DOJ investigating Greenville, MS uniformed police officers deployed to break up church service; How coronavirus cases and deaths are counted; Reports that Medicare is paying extra for COVID-19 deaths; Trump will be criticized by Democrats no matter what he does; What you've learned from the COVID crisis; Trail Life USA promoting a virtual campout; California spending coronavirus money on illegals; Democrats delaying additional stimulus money; Small businesses not receiving PPP loans; Obama finally endorses Joe Biden after it doesn't matter anymore (but secretly supported Lizzie Warren)
- Monday 4/20/20: Governor McMaster finally rescinding close orders for no reason after issuing them for no reason; Nancy Pelosi blames job losses on "Trump recession" while simultaneously holding up funding for small business loans; COVID-19 predictions were way off from the beginning and it's roughly as bad as a severe flu; China insisted on pandemic-related out-clause in trade deal with Trump; The only Russian collusion was with the FBI, DNC, and Hillary campaign; Social distancing and closure rules don't make any sense
- Tuesday 4/21/20: Social distancing and closure rules don't make any sense; Tara raves about muscadine wine; Antibody testing is a trap to create a two-tier society; South Carolina planning contact tracing and widespread testing; South Carolina ranks 49th in social distancing according to companies that collect cell phone data; Oil price crash driven by Russia over failure of their coup with the DNC and FBI against Trump; AOC deletes tweet praising the oil price crash after huge backlash; COVID-19 predictions were way off from the beginning and it's roughly as bad as a severe flu
- Wednesday 4/22/20: Social distancing and closure rules don't make any sense; Organized crime providing food to quarantined people where governments won't; Coronavirus may have been around way longer than anyone thinks; COVID-19 response illustrates what life in America will be like under complete Democrat rule; Fox reporter caught on hot mic admitting low death rate of COVID-19; SC Senators agree with Tara about huge pay raise from unemployment; Congressional Democrats dragging their feet on funding business loans to get people used to unemployment payments; People having trouble receiving stimulus payments; US can't afford the cost of COVID-19 without the economy running; Russia, China, and Saudi Arabia have launched an under-the-radar economic war against the US; Like Trump's travel ban, Democrats will complain that his immigration ban wasn't too soon enough; Interview with Greenville TEA Party Chair Pressley Stutts - Drive to Thrive Rally in Columbia to reopen SC economy; Newest Media attack on Trump is that he tried to kill his supporters by holding rallies; Leftist authoritarians who have grabbed power during the COVID crisis will be loath to give it up

- Thursday 4/23/20: SC schools to remain closed for the rest of the school year but e-learning isn't actually like school; The housing market has been decimated by the response to COVID-19; Trump undermines GA Gov Brian Kemp trying to save his state economy; Stanford study finds vast majority of COVID-19 deaths had underlying health conditions and that we might be hurting the most vulnerable with response policies; Chinese propaganda largely responsible for global panic response to COVID-19; What kids are missing because of the coronavirus shutdown; Police organizations refusing to enforce arbitrary closure orders by state authorities; Social distancing and closure rules don't make any sense (nor do the people following them); Nancy Pelosi refutes her own claim that Democrats aren't obstructing small business funding; AOC suggests people shouldn't go back to work when shutdown is lifted
- Friday 4/24/20: Traveling to Georgia because businesses there are open; Brit Hume suggests lockdown was a public policy calamity; COVID-19 predictions were way off from the beginning and it's roughly as bad as a severe flu; New bombshell reveals that John Brennan covered up actual intelligence about Russia's preference for Hillary in 2016 campaign; Georgia governor Brian Kemp is a hero for defying Trump and opening business in his state; Tucker Carlson reports different lockdown strategies by states had little to no effect on coronavirus spread; Whether the Media response to coronavirus is a conspiracy to tank Trump's economy
- Monday 4/27/20: Henry McMaster extends state of emergency for SC amid research showing lockdowns don't affect the spread of coronavirus; Georgia opening businesses in defiance of Trump's recommendations; MSM helping to bury Joe Biden's #MeToo accuser; Antibody testing can't distinguish between different coronavirus infections or when they happened; Bill Gates defending China's underhanded tactics during coronavirus pandemic; Georgia opening businesses in defiance of Trump's recommendations; WORD adds 95.1 FM translator in Pickens; Hospitals are empty and in danger of closing; COVID-19 predictions were way off from the beginning and it's roughly as bad as a severe flu; Trey Gowdy makes the case that the shutdown is akin to forced vaccination; Nancy Pelosi wants testing and tracing
- Tuesday 4/28/20: Small business loan system crashes under heavy demand; McMaster not following the mandates he requires; Lockdown may be the worst thing we could have done; Food supply chain is breaking down; Problems in testing for coronavirus; CDC instructions inflating number of COVID-19 deaths; Dems could use pandemic to push through single payer government healthcare; More evidence FBI knew Russian collusion story was fake before they investigated it; Pentagon released UFO videos but coronavirus still the biggest story; Releasing prisoners who test positive for COVID-19 makes no sense; COVID-19 predictions were way off from the beginning and it's roughly as bad as a severe flu; Anecdotes about COVID-19 lack of contagion; Dems now asking for huge monthly stimulus payments to keep people from working
- Wednesday 4/29/20: Some colds have an 8% fatality rate (in nursing homes); Why so many are calling for increased testing; Dems' attempt to create a meat shortage thwarted by Trump invoking Defense Production Act; Dems complain while on recess that Trump isn't working hard enough; Problems in testing for coronavirus; Police investigating homicide by woman who poisoned her husband with fish tank cleaner because of Trump's promotion of chloroquine; Social distancing and closure rules don't make any sense - some protests allowed while others aren't
- Thursday 4/30/20: FBI committed crimes when they framed Michael Flynn; DOJ lawbreaking under Obama goes back to the IRS persecution of TEA Party organizations;

Democrats resort to “flu d’état” when their coup d’état didn’t work; Why Michael Flynn’s whistleblower status got him targeted by the Obama administration; McMaster extends shutdown; Sweden’s death rate per million population lower than other European countries without shutting down; Federal stimulus is anesthetizing employees from going back to work; China could have released the Wuhan virus as a biological weapon against US tariffs; Russian disinformation via the DNC fed the FBI’s investigation of Trump (and they knew it); Interview with SC District 38 Rep. Josiah Magnuson - Reopening the state during COVID-19 pandemic; Social distancing tracker gives SC (and Upstate counties) an F rating; Whether Joe Biden will actually be the Democrat nominee; DOJ has a long history of committing crimes and not punishing it

- Friday 5/1/20: Tourists flocking to GA because hero Gov Brian Kemp has lifted mandatory closure orders; More social media censoring of dissenting opinions on coronavirus pandemic from medical professionals; FBI interview of Michael Flynn was a huge setup; The WHO changes position and now holds up Sweden as the model of COVID-19 response; China behind the WHO flip-flop in effort to ruin Trump’s reelection effort; How many alarms it takes to wake up in the morning; Joe Biden finally denies sexually assaulting Tara Reade; Obama defense secretary Robert Gates doesn’t trust Biden’s judgement to be president; Sex offenders released from prison for COVID-19 slip their monitoring and disappear
- Monday 5/4/20: Georgia open for business while SC returns piecemeal; China using COVID-19 outbreak as a weapon while desperate to portray it as a natural disaster; COVID-19 death toll numbers are unreliable; People going back to their lives in defiance of quarantine orders; Shutdown orders turn private citizens into law enforcement; US taxpayers sent millions of dollars to Wuhan lab to fund research; Democrats covering for CCP by not convening the House or investigating origins of COVID-19; 6 people witnessed Joe Biden compliment a 14-year-old girl on her bust; Lindsey Graham still covering for the Deep State for running the coup against President Trump; McMaster’s closure orders make no sense; MSM admitting they never really vetted Joe Biden’s creepy past; Biden doesn’t want Delaware records released because they show him meeting with Putin; Couple honeymooning in Hawaii arrested for not signing coronavirus paperwork
- Tuesday 5/5/20: New projections predict infection and death rates will rise through May; CDC coding guidelines inflate coronavirus death tolls; Nancy Pelosi falsely claims Trump waited 70 days to respond to COVID-19 pandemic; Wisconsin woman visited by police for violating stay-at-home order; Accuracy not a requirement to win a Pulitzer; Criminals released from prison over coronavirus fears predictably return to crime; New York police don’t want to enforce social distancing anymore; China allowed international flights in and out of Wuhan long after they knew about the COVID-19 outbreak; Joe Biden requests release of his records from the Senate (which they can’t) but not his Delaware records (which they could); Biden doesn’t want Delaware records released because they show him meeting with Putin; More people come to Joe Biden’s defense because he’s Joe Biden; Interview with Phillip Allen - Friend of his died of cancer but was reported as a COVID-19 death; People are freaking out about “murder hornets” in the Pacific Northwest when they’ve been here for decades; Jeff Duncan and Ralph Norman try to claw back some of the pork in federal coronavirus spending
- Wednesday 5/6/20: Left launches the #HeToo movement to defend Joe Biden from sexual assault allegations; Dallas hair stylist Shelley Luther jailed for violating shutdown order and not apologizing to elected officials; Murder hornets in Pacific Northwest came here on a boat from China; No one is talking about the economic damage from coronavirus;

Gun sales are up during pandemic while people get death threats for not social distancing; Conflicting coronavirus death toll numbers from the CDC; Fauci authorized funding for Wuhan lab research cataloging bat coronaviruses and studying how they could be transmitted to humans; Left admits they don't care about Biden's issues as long as he beats Trump; Accuracy not a requirement to win a Pulitzer; The messy business that was the American Revolution; The Swamp will take over if Biden wins

- Thursday 5/7/20: Whether South Carolinians will comply with contact tracing; How shutdowns have affected businesses; New Yorkers getting COVID-19 despite extreme social distancing; SC DHEC issues mandates for increased testing; Receiving unemployment payments still an issue for many; Rand Paul answers question about additional stimulus packages by saying we couldn't afford the first three and opening the economy is the best stimulus; Trump's DNI nominee John Ratcliffe told Adam Schiff to release the transcripts he claims to have or he will; Caller defends McMaster's shutdowns; Lindsey Graham has just discovered that there was no reason for the Mueller investigation (which Tara has known for years)
- Friday 5/8/20: Bombshell transcripts further expose Russian collusion investigation as a giant hoax; Shelley Luther out of jail as TX Governor Abbott shifts to damage control; What supposedly freedom-loving red-state governors have done in the name of COVID-19 is shocking; Tara Reade is being savaged by the Left in support of Biden's candidacy; McMaster pushes mandatory COVID-19 testing for all South Carolinians; People traveling to GA now that it's open; DOJ drops case against Michael Flynn
- Monday 5/11/20: JIM BOHANNON FILLS IN FOR TARA: Unemployment officially just under 15% as over 20 million lose jobs in April; What methods Trump has to hold China accountable for COVID-19; The problems Joe Biden presents for the Democrat Party; SC easing restrictions on restaurants, boating, etc.; Death tolls and progression of the COVID-19 pandemic; Other threats China poses to the US; The DOJ persecuting Michael Flynn
- Tuesday 5/12/20: Vacationing in GA because it's open and SC isn't; We won't be able to just turn the economy back on as millions of jobs have been lost permanently; Adam Schiff transcripts reveal there was never any evidence of Russian hacking or collusion; Vast majority of COVID-19 deaths had premonitory conditions that led to their deaths; CDC coding of COVID-19 cases raises concerns about accuracy of death totals; Biden clearly isn't ready for primetime after he likens choosing a running mate to looking at pin-up calendars; China using COVID-19 pandemic like a weapon against American economy; Interview with SC Attorney General Alan Wilson - Demanding Congress investigate Chinese origins of the COVID-19 pandemic; Girl's track team's lawsuit against biologically-intact boys racing as girls; Elon Musk considers saving billions by moving Tesla out of CA; NY Gov. Cuomo may have more blood on his hands than he accuses Trump of having; Brian Stelter wants MSM to ignore Obama admin's coup against Trump in favor of COVID-19 coverage
- Wednesday 5/13/20: Continued stimulus plans are anesthetizing Americans to the pain of a ruined economy; Dropping prices indicate deflation could be coming; Newest Democrat stimulus plan includes illegal money for illegal aliens and release for violent criminals; Trey Gowdy knew for years that the Russian hacking and collusion narrative was false; Democrats not interested in having hearings on China's involvement in pandemic origins; China's influence over American politics; Blue state governors funneled COVID-19 overflow patients into nursing homes; Democrat election strategy relies on making people dependent on federal "stimulus" payments; The people in charge of censorship at

Facebook are all hardcore leftists; Judge refuses to dismiss dropped case against Michael Flynn

- Thursday 5/14/20: Transcript of Michael Flynn's conversation with Russian ambassador released along with names of Obama officials who wanted Flynn unmasked; Why the Obama administration had to shut Flynn up; Washington swamp creatures (and others) knew for years the Russian collusion, hacking, and election interference narrative was false; Kids attending the School of Mom; What has to happen for the economy to rebound; COVID-19 has revealed how sophisticated tracking capabilities are; Obama administration's massive database that has information on everybody; Why the Democrats cannot afford Biden as their candidate; Biden campaign lashes out against Catherine Herridge for her correct reporting; The list of people who had to keep the lie of Russian hacking and collusion going; SC legislature rebukes Governor McMaster over his declaration of COVID-19 emergencies
- Friday 5/15/20: SC Department of Education doesn't know yet whether school will open in the fall; SC Senate rebuked Governor McMaster for violating SC Constitution to extend emergency declaration; No cure for coronavirus on the horizon despite repeated projections of 12-18 month timeline; Dispute over whether masks are useful in preventing spread of COVID-19; Gowdy complains that FBI routinely ignores crimes committed by Democrats; Devin Nunes says Obama admin's illegal spying didn't stop with Michael Flynn; No one has done more to protect the Deep State than Lindsey Graham; Clapper knew his statements about Russian collusion were false when he made them; Whether anyone will go to jail for crimes against the Trump administration and the American people; Interview with US Senate candidate Michael LaPierre - His chances of beating Lindsey Graham
- Monday 5/18/20: More soft openings in SC start today and the illogical restrictions thereof; CDC coding guidelines causing misleading COVID-19 death toll numbers; States with draconian shutdown measures faring worse than states that reopened; SC Senate rebuked Governor McMaster for violating SC Constitution to extend emergency declaration; Crime predictably up now that prisoners have been released and everyone has to wear masks; Congress yawns as China says they will try to interfere with 2020 election; China trying to hack information about COVID-19 vaccine; NFL offers increased draft picks for teams that hire black coaches; Origins of COVID-19 in dispute; Biden promises not to pardon Trump for not committing any crimes; More soft openings in SC start today and the illogical restrictions thereof
- Tuesday 5/19/20: The people most affected by shutdowns are the ones that were most helped by Trump's MAGAnomics economy; Media overly concerned that Trump is taking HCQ (hydroxychloroquine); Policy of social distancing came from a high school science project; Bill Barr says he probably won't prosecute Obama and Biden for lawbreaking; Whistleblower caught Obama admin spying on numerous Americans for political purposes; Dem hypocrisy leads to them dismissing Obama admin's spying as a Russian conspiracy theory; Economic impact of COVID-19 shutdowns; Younger people have extremely low risk of death from COVID-19; Biden promises not to pardon Trump for not committing any crimes; Why Trump won't declassify is a mystery; Leftists now calling their "Believe All Women" mantra a right-wing trap
- Wednesday 5/20/20: Cold snap in the middle of May ruined Tara's garden; Left now pretend Trump doesn't have a jobs plan while also clamoring for shutdowns to continue; More soft openings in SC start today and the illogical restrictions thereof; Coronavirus crackup moments; Ukraine names Joe Biden as a suspect in criminal bribery and intimidation investigation; Study shows that people who have had colds may be more

immune to COVID-19; Leftists now calling their “Believe All Women” mantra a right-wing trap; Myrtle Beach circling the drain as “RevPAR” drops and crime surges; Interview with author and election modeler Gerard Lameiro - Trump’s chances of winning 2020 election and coronavirus predictions

- Thursday 5/21/20: Infection rates have declined - not increased - in states that have reopened; Doctors call the shutdowns a “mass casualty event”; CDC quietly updated their page on “How Coronavirus Spreads” to state person-to-person contagion is more likely than from surface contact; The best way to make major life decisions is a coin toss; Why didn’t Birx and Fauci use research from CDC instead of Imperial College to make recommendations; New audio of Joe Biden colluding with Ukraine president Poroshenko released; Shutdowns are an abuse of authority; Michigan governor Gretchen Whitmer allows gay swingers club to stay open while shutting down legitimate businesses; Democrats attempting to manipulate 2020 election; Shutdown mismanagement has hurt lots of people
- Friday 5/22/20: JIM BOHANNON FILLS IN FOR TARA: SC ranks 35th in list of most restrictive lockdowns; Discovery of SC mail-in ballots in Maryland raises questions about handling company SeaChange and voter fraud; Democrat inconsistency on presidents firing inspectors general; The importance of preventing voter fraud; How Lindsey Graham keeps getting elected; Lindsey Graham’s chances of getting reelected are excellent; Choosing the lesser of two evils
- Monday 5/25/20: JIM BOHANNON FILLS IN FOR TARA: Biden's Popularity - Absentee Ballots - Redacted Susan Rice Memo shifting blame away from Obama - Joe Biden's Plausible Deniability - Biden's Choice for VP? A woman? Obama? - Jim's view on how far Dems will go to cover themselves - Michael Flynn - Golf Tourney and Racing; NFL Face masks - Ketchup or Mustard?? - Memorial day Food Etiquette - Mayo...Dukes or what? Grape jelly on a Hot Dog? Steve McQueen Movies - How do you order your steak? - Food Rules - Reading texter's recipes - Jim lists some stories about re-opening states
- Tuesday 5/26/20: Memorial Day Weekend - People tried to go to Church this weekend. - Anthony Fauci's About face on quarantine - Woman forced out of store for not wearing mask - CDC Numbers, do we believe?; CDC admitting their advice was wrong. New numbers on actual death rate. - CNN edited trump's comments - Nancy Pelosi's additions to new stimulus bill - 20% + Unemployment rate coming? - Joe Biden's "You Ain't Black" comments - Biden didn't really apologize; China wants a cold war - China produces majority of our drugs - We can't even open a pharmaceutical production facility - Drilling off the coast of SC - What changed Fauci's mind about quarantine?; Unemployment rate projected to get worse - Dems blaming Trump for recession - Ridiculous mask restrictions - Cuomo's Mandates - Behavior in America at all time low - Facts not being reported by mainstream media - Biden's comments would end a Republican candidates career - People are improperly wearing masks - Cuomo's people lied about CDC guidelines
- Wednesday 5/27/20: Media creating a fake reality - CDC Death rate announced - CDC stats - Audio of people chasing woman out of store for not wearing mask - Washington wants you to fail - Surge of COVID-19 patients never happened - Officials lied about the numbers - Hospitals getting COVID bailout money; Mask shaming by the media - Prisma Heath gets \$77 mil for COVID relief - Hospitals operating under capacity since not receiving as many coronavirus patients as anticipated - Drunk driver collided with liquid manure storage pond - Dems refusing to investigate China - Why can't US produce it's own pharmaceutical drugs?; Tara and Lee talk about the "11 Americas" written about by local college professor - Driving back to normal according to Apple research - Southern US

states moving around the most - Trumps Twitter comments being censored by Twitter - Dems don't want economy to recover, could be devastating for the election; CDC warns of "Cannibal Rats" - Crazy Ex Girlfriend Eyes, Gov. Gretchen Whitmer admits her husband tried to take boat out - Media being throttled - Trump comments on getting appointees thru - Story about Adam Schiff saying Pres. Trump was/is Russian Spy - Mail in voting fraud - Teens time spent on phones

- Thursday 5/28/20: Social Media Clamping down on Trump - Fact vs. Opinion - Twitter's response to Trump's tweet - Is Twitter a platform or publisher? They are violating the agreement with the government - Hoaxes we are buying into; Teens spend an average of 7 hours on cell phone according to report - Tara makes reading list for her kids for the summer - CDC says less than half of positive antibody test are incorrect - Death by coronavirus stats are wrong/misleading - Caller asks if all the test could be unreliable; Tara and Lee discuss death rate stats from CDC - Kids going hungry because of stay at home orders - Dual Justice/ Dual Speech system - Dems want fraud in voting - Unemployment claims last week 2.1 million - 10 week claims at 40 million - News media sites getting throttled; Dilemma of unreliable testing - Contact tracers? Tara thinks it's possible - Fact vs. Opinion - Trumps comments on Twitter was his opinion - Others are allowed to say whatever they want - Briefly discusses Minnesota shooting
- Friday 5/29/20: Rioting in Minneapolis - Trump signs executive order about Twitter - Trumps comments again gets flagged - Tara holds back judgement on Minneapolis situation until all of the facts come in - Tara recalls past attacks labeled as "racist" to later find out it was self-defense or the people accused were acquitted - Tara stunned by economic news; Trump declares war on Twitter censorship - Tara thinks it's too late - William Barr audio on the current social media situation - Twitter only censors certain people - Mayor gives mob the police precinct to burn - WHO recommendations - Fauci's flip flop on masks; Tara and Lee talk about masks, Fauci's comments. CDC's changing guidelines and COVID Testing - Trump tweets being flagged again - Comments on George Floyd death, we don't know all the facts yet. - Obama's Database, Republicans and Democrats want it! - FBI uses database to spy for the Dems and got caught - Rand Paul's comments on renewing FISA database - 1 in 4 US workers applied for unemployment; People now blaming Trump for George Floyd's death - Trump needs another term to get things done - Trump's comments on how social media companies and why he's signing executive order calling for new regulations - Tara and Lee comment on riots and looting in Minneapolis
- Monday 6/1/20: Local authorities handled George Floyd protests exemplarily while rioting elsewhere gets way out of hand; ABC News reports no COVID-19 spikes in states that reopened early; Leftists bizarrely blame white supremacists and Russians for violent protests in support of George Floyd; Waiting for facts about George Floyd to address suspicious facts about his death; The difference between protesters and rioters; Many black businesses damaged or destroyed by Floyd riots; Bill Barr blames Antifa for hijacking Floyd protests to commit violence; Trump declares Antifa a terrorist organization; Interview with SC Attorney General Alan Wilson - Floyd riots and protests; Interview with Greenville County Sheriff Hobart Lewis - Exemplary police response to Upstate Floyd protests; ABC News reports no COVID-19 spikes in states that reopened early; Twitter allowing users to coordinate criminal behavior but hides Trump tweet that says violence may be met with violence; Zero FBI offices are compliant with FISA requirements; Blue city leaders allowing violence from rioters; Business owners defending

themselves with firearms; Atlanta mayor speculates about what MLK Jr. would have thought about violent protests and riots

- Tuesday 6/2/20: LA officer shot in the head by protester while trying to arrest another protester; Federal officer shot dead in Oakland, CA for wearing a uniform; Conservatives don't riot when Trump is the victim of law enforcement abuse of power; Media hypocrisy supports Floyd protests after condemning COVID-19 shutdown protests; More horrific violence from miscreants attempting to hijack Floyd protests; Biden says cops shouldn't be allowed to shoot "an unarmed person coming at them with a knife"; Interview with radio talk host Heidi Harris - LA officer shot by protester and who's to blame for violence; New CDC numbers show fatality rate from COVID-19 similar to the flu for most people; NY gov Cuomo rejects National Guard help from Trump as 5th Avenue burns; Local authorities handled George Floyd protests exemplarily while rioting elsewhere gets way out of hand; Trump mobilizes forces to quell domestic terrorist group Antifa
- Wednesday 6/3/20: Debunking the fake MSM story about Trump teargassing "peaceful protesters" for a photo op; Exodus from large cities isn't because of coronavirus pandemic; Looters murder a black man to raid his pawn shop and stream it all on Facebook; Federal officer shot dead in Oakland, CA for wearing a uniform; Both social and mainstream media suppressing videos of violence by protesters; Interview with SC Senate District 12 candidate Mark Lynch - Challenging incumbent Scott Talley over gas tax and fiscal mismanagement; Disgraced COVID-19 predictor Neil Ferguson admits Sweden doing better than countries that followed his shutdown advice; NC Gov Roy Cooper marches with leftist protesters after cancelling RNC convention over COVID concerns; Jasmine Kelly's emotional tirade against rioters who killed her 22-year-old sister; The distinction between protesters and rioters; How Antifa is organizing riots
- Thursday 6/4/20: Leftist hypocrisy on display criticizing police categorically but individualizing violent protesters; Rod Rosenstein admits to perjury when signing FISA warrants; Conflicting autopsy reports on George Floyd; Minnesota raises charges against cop who killed George Floyd to 2nd degree murder; Good economic news includes lost jobs way lower than expected and record Dow gains; How Antifa is organizing riots; The danger of opposing rioters with vigilantism; "Mad Dog" Mattis seems to believe the lies about Trump regarding dispersing protesters for a photo op; Obama is America's most divisive president, not Trump; Tucker Carlson uses Washington Post stats to make Tara's point about police violence; Local police don't need to be defunded but the FBI and DOJ do; SC schools considering new staggering policies to reopen after COVID-19 shutdown; Tucker Carlson epic rant on the legal double standard applied to rioters
- Friday 6/5/20: Count on the Left to overreach their goals and lose their messaging; Democrats running on a platform of chaos; Liberal calls to defund police and support for Antifa thugs have echoes of the beginnings of German socialism in the 1930s; What happens when you disband the police; Blue state governors inconsistent on enforcing social distancing policies on businesses and protesters alike; Protests aren't about racism when rioters kill black police officers; Riots and COVID-19 are distracting from huge news about FBI malfeasance in making up Russian collusion story; Rod Rosenstein says Russian collusion investigation should never have happened; The fact that officers have already been charged in George Floyd's death shows the system isn't broken; Deaths like George Floyd's have happened to white victims as well with nowhere near the same reaction; Job losses during COVID-19 shutdown are staggering but May's unemployment was way lower than expected; Blue state governors inconsistent on enforcing social distancing policies on businesses and protesters alike; Alex Berenson's banned COVID-19 book back up on

Amazon after vocal criticism from Elon Musk; Lindsey Graham is only holding hearings because of his upcoming primary and will stop after it's over

- Monday 6/8/20: Social distancing out the window; Dabo Swinney criticized for wearing a "Football Matters" t-shirt months before the Floyd protests started; Minneapolis Police Department policy permitted and even advised use of technique Derek Chauvin used on George Floyd; Interview with SC Senate District 12 candidate Scott Talley - Defending gas tax increase and road funding reform; Increased poison control calls because of unsafe cleaning practices over COVID-19 fears; Defunding and abolishing local police forces is exactly what Barack Obama wanted; Officials who condemned protests against COVID-19 shutdown praise protests over George Floyd by tying coronavirus to white supremacy; New York Times editorial page staff calls for censorship of Senator Tom Cotton
- Tuesday 6/9/20: WHO reports asymptomatic person-to-person transmission of COVID-19 is "very rare"; Washington Post admits CDC coding guidelines count deaths with no evidence of COVID-19; We'll see a very different Lindsey Graham tomorrow after the Republican primary is over; NFL Commissioner Roger Goodell reverses stance, now encourages kneeling during Anthem; Closed down racetrack in NC stages race as a peaceful protest against injustice and inequality; Satisfaction with local police stands at 72% with both white and black people; Minneapolis City Council President Lisa Bender leading the movement to dismantle police departments; Interview with Michael LaPierre - Opposing Lindsey Graham in the Republican primary today
- Wednesday 6/10/20: Graham wins primary and can go back to being a Deep State operative; Stock markets surprising analysts with speed of rebound; NFL Commissioner Roger Goodell reverses stance, now encourages kneeling during Anthem; Supporting BLM is now socially mandatory in college and professional football; Fauci raises panic alarms again now that stock markets are improving; WHO reverses statement on likelihood of asymptomatic COVID-19 transmission; Dabo Swinney forced to apologize and support BLM after wearing a "Football Matters" t-shirt months ago; White Antifa supporter guns down black cop in cold blood but MSM and protesters can't be bothered to notice; Liberal crusade against law enforcement excludes FBI because it does campaign research for Dems; Greenville removed restraint techniques like the one that killed George Floyd from police procedure years ago as Minneapolis was adding them; Virtually every incumbent won reelection in yesterday's primary; Closed down racetrack in NC stages race as a peaceful protest against injustice and inequality; Tucker Carlson explains what the Defund The Police movement really is; Voter fraud fight in Wisconsin could have impact on presidential election
- Thursday 6/11/20: McMaster was trending on Twitter for not shutting down the state again; Antifa declares 6-block "autonomous zone" in Seattle; Greenville identified as new COVID-19 hotspot; White Antifa supporter guns down black cop in cold blood but MSM and protesters can't be bothered to notice; Derek Chauvin's supervisors were Democrats and are absolved by protesters for keeping him on the force; Democrats (including Joe Biden) frequently get their racist pasts ignored; SC epidemiologist Dr. Linda Bell worried about second wave of COVID-19; Political study finds SC legislature is the most liberal Republican-controlled state government; FBI issues vague warning about white supremacists but not Antifa or BLM; White Antifa supporter guns down black cop in cold blood but MSM and protesters can't be bothered to notice; Antifa declares 6-block "autonomous zone" in Seattle
- Friday 6/12/20: Antifa's forcible ouster of police from 'CHAZ' in Seattle is a textbook example of the 2nd Amendment's necessity as well as a portrayal of the Left's hypocrisy

on guns; Authorities raise COVID-19 fears again as markets climb almost as if they're linked; Greenville County Schools reverses claim that distance learning won't be part of new school year; Seattle mayor reminiscent of Baghdad Bob in her denial of the CHAZ situation; Twitter says China used 200k fake accounts to influence elections (166 times as many as Russia); Twitter "fact checks" Trump's official account but not China's; Seattle police chief Carmen Best speaks out against CHAZ occupiers; Price of meat still up over coronavirus shutdowns; The double standard of leftist protests about racial violence

- Monday 6/15/20: BILL FRADY FILLS IN FOR TARA: Understanding the truth about COVID-19 statistics; Thank God people are finally denouncing racism in the US; The hypocrisy of the liberal utopia known as CHAZ in Seattle; Wearing masks and social distancing are arbitrary; Prepping for the lockdown; The police procedure that got George Floyd killed; Concealed carry as a commercial driver; What we can learn from CHAZ; Compelling Hillary Clinton to testify about classified information on her unsecured private server; Worst protests are in the cities controlled by Democrats; Woman calls cops on man painting BLM support on his own property; What non-lethal procedures police should be using; The fallacy of reparations
- Tuesday 6/16/20: Tara's vacation ruined by COVID-19 again; Social distancing guidelines now blatantly political; Football will be laden with political import and social judgement this fall; What else you can burn down if you're unhappy and have liberal privilege; Why Seattle mayor Jenny Durkan caved to the CHAZhabitants; CHAZ now known as CHOP; Media's portrayal of CHAZ/CHOP as being like a "street festival" very different from the images and reality; Justice Gorsuch authors opinion in landmark LGBT rights case; Lindsey Graham has run out the clock on investigating Deep Staters; Media hyping the second wave the way they hyped the initial pandemic; People in socialist Venezuela resorting to eating racehorses to survive; How we can push back against rioters and lawlessness; Protests oddly crossing oceans into other countries; Liberal reporter says American media is destroying itself; The protests and riots and movements aren't about cops, they're about erasing American history
- Wednesday 6/17/20: Google and NBC wade into anti-trust territory by demonetizing websites they disagree with; The push to require masks in public even though they're not effective; Liberals suddenly overly concerned with the safety of Trump supporters attending rallies; Remembering how good Trump's economy was; America's virtual civil war; 2020 is weird and cold; Churches will be bankrupted under new "must hire" ruling from Supreme Court; Media reporting increased COVID-19 cases but not the drop in COVID-19 deaths; Fauci admits he lied about not wearing masks at the beginning of the pandemic; Georgia sheriff says Atlanta police shooting was completely justified; Restricting police procedures will result in more people getting hurt or killed
- Thursday 6/18/20: CHOP horde shows up at Seattle mayor Jenny Durkan's house as Dems lose control of their mobs; Atlanta PD stages walkout after officer who shot Rayshard Brooks charged with 1st degree murder; The division between "Black Lives Matter" and "All Lives Matter"; So-called "second wave" being overhyped by the MSM; Interview with Allan Quinn - Challenging incumbent Neal Collins for SC Dist 5 legislature seat over scholarships for illegal aliens and gas tax vote; CHOP mob in Seattle proves implacable as they are still not satisfied after all the concessions from Mayor Jenny Durkan; Removing police procedures is spilling over to private citizens; CHAZ occupation in Seattle seems too organized to be spontaneous; The hypocrisy of liberal privilege
- Friday 6/19/20: No one believes Fauci because he's flip-flopped his positions so many times; The Supreme Court jumps the shark with formal institution of dual justice through

DACA decision; 55% of likely voters believe Joe Biden is in the early stages of dementia; MSM is so focused on race all of a sudden because Trump's approval rating with black voters just reached a record high; Trump's biggest mistakes have been trusting Deep Staters like John Bolton from previous administrations; Atlanta DA who charged GA officer with murder of Rayshard Brooks described tasers as both deadly and non-lethal within a week; The racist and authoritarian history of the Democrat Party; What if black people found out that Biden is the last living segregationist in politics; Message of who should actually be worried about COVID-19 getting lost in all the media hype; Portland mayor Ted Wheeler demonstrates the hypocrisy of liberal privilege; 2020 is weird and cold

- Monday 6/22/20: Left now suppressing turnout at Trump rallies demonstrates the folly of mail-in voting; Shootings in CHOP show people with liberal privilege can get away with breaking the law; Bill Barr collecting evidence in Russia collusion hoax because he's required to by the FISA court; SC school superintendent Molly Spearman threatens not to open schools if there's a second wave; What the MSM do and don't report about increased COVID-19 cases; Bill Barr defends police procedures with stats and facts; Brett Favre equates Colin Kaepernick with Pat Tillman; Stories Bolton told about Trump getting debunked left and right; Bill Barr addresses the threat of China
- Tuesday 6/23/20: Greenville City Council now requires wearing a mask in grocery stores and pharmacies; Cleveland bakery owner still supports BLM after they trash her store; Polls encouraging for Trump despite more Democrat voters and no support from Republicans; BLM now wants to remove statues of Jesus because He looks too white; Only 11% of Americans support defunding police; BLM founder admits she is a trained Marxist; Trump rally attracts record number of viewers; Interview with Jessica Vaughn of Center for Immigration Studies - Lindsey Graham leading call for worker visa program after record numbers of Americans were laid off during the pandemic shutdown; Native Venezuelan warns that what's happening in America now is how the socialist takeover began in her home country
- Wednesday 6/24/20: The so-called "noose" in Bubba Wallace's stall was a garage door pull that is present in every NASCAR stall; Greenville's new ordinance requires vague "face coverings" instead of medical masks; NASCAR chose to ignore and cover up the simple explanation about allegations of racism; Interview with Greenville County Sheriff Hobart Lewis - Enforcing Greenville's new face covering ordinance; More CHOP anarchists get away with murder because of liberal privilege; Whether masks work and people should wear them
- Thursday 6/25/20: What it takes to keep churches from burning and statues from falling in America today; Republicans haven't earned retaking the House because they won't back Trump; Democrats holding up police reform bill and using BLM for political purposes; Greenville County Schools rolls out virtual classroom plan; Liberals ignore Biden's racist and segregationist past while tearing down Confederate statues; Political persecution of Trump campaign and staffers directed from the very top of the Obama administration; Ukrainian press conference reveals Biden implicated in attempted assassination of citizen headed to the US to testify on corruption; Psychic spouse connections; BLM and Antifa rioters tearing down statues now just because they're of white people; Erasing history is the first step in a Marxist takeover; Interview with SC Attorney General - The legality of Greenville's face covering ordinance; Robert Johnson says white liberals need to respect black people's opinions; Majority of people don't want Democrat policies but Republicans won't fight

- Friday 6/26/20: Zero Democrats have condemned burning and looting rioters; Democrats say “Defund the Police” doesn’t mean defund the police; Liberal companies threaten to boycott Facebook unless it silences conservatives; Only pay attention to polls of likely voters; Robert Johnson says white liberals need to respect black people’s opinions; CDC admits only 7% of COVID-19 deaths were caused by COVID-19 alone; Many think Biden has dementia and his campaign doesn’t think he can handle questions from local reporters; Interview with SC Attorney General Alan Wilson - The constitutionality of the Heritage Act which defends statues and monuments; Black people are worried most about defunding the police; Greenville County Schools rolls out virtual classroom plan; Increased COVID-19 testing and cases; Federal court has confirmed that DOJ and FBI hid evidence exonerating Flynn
- Monday 6/29/20: Shocking violence from large cities like New York and Chicago; If Biden gets elected American culture and prosperity is over and done with; Spartanburg City Council and others pass face covering ordinance similar to Greenville’s; Facebook labels Tara’s unaltered photo as “Partially False Information”; VISA blacklisting people and websites from payment processing for conservative views; New York Times makes up story about White House ignoring Russian bounties on American troops; Research shows coronavirus was present in Italy in December, weeks before first cases reported; Greenville County Schools issue survey on limited options for parents to send their kids back to school; Target bullied into not calling police during protest; Minneapolis city council using taxpayer funds for private security after criticizing police department; Only pay attention to polls of likely voters; Only white liberals show up to NC BLM protest; With Flynn exoneration details starting to come out about how Obama admin armed terrorists
- Tuesday 6/30/20: Chief Justice John Roberts flip-flops on abortion case revealing his true liberal nature; Democrats make threats to remove Justices from Supreme Court that Republicans could never get away with; McCloskeys demonstrated the kind of reaction militant liberals are trying to provoke; Interview with Heidi Harris - Surviving COVID-19; Liberals have to erase American history to usher in their Marxist socialist revolution; Fauci makes discouraging predictions about COVID-19 vaccine; Trying to understand Dems’ absurd ideas about alleged Russian bounties on American soldiers; The cost of dual justice for angry mobs looting; BLM thug extorts businesses with threats of violence; BLM protests largely populated by white liberals; Facebook censoring Tara for unaltered photo; Native Venezuelan woman describes current Antifa protests as very similar to the beginnings of the socialist takeover in her home country; The effect protests and riots are having on police forces
- Wednesday 7/1/20:
