- NOVEMBER 10, 2023

Millions of men and women have lost their lives preserving and protecting our God-given rights as Americans. On this special edition of Family Talk, you will hear a sobering radio drama of stories and first-hand accounts of soldiers who fought bravely for our nation’s freedom. We must never take for granted all the courageous men and women who have sacrificed their lives for our great country. Stand proud and grateful as we honor our American soldiers.

HOST: DR. JAMES DOBSON - GUEST(S): DR. DEL TACKETT - DECEMBER 01, 2023

Without biblical truth, there is no compass to guide us in the way we are to live. Ephesians 6:12 says, “For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms.” Dr. Del Tackett gives a moving presentation about our society and the spiritual war against God’s design—specifically, human sexuality. In a culture that wants to base facts on feelings, now is the time for Christians to “speak truth in love” to those around us.

HOST: DR. JAMES DOBSON - GUEST(S): THE HON. MICHELE BACHMANN - DECEMBER 15, 2023

For Christians in America, there has sadly been a dramatic shift away from biblical values and principles. The Hon. Michele Bachmann states that the secular culture demeans believers who have respect for their country, and affirm natural marriage, country, and sanctity of human life. She encourages listeners to hold fast to their faith and convictions amid the changing tide. In John 16:33, Jesus says, “In this world you will have tribulation. But take heart! I have overcome the world.”

According to the late Pastor Adrian Rogers, “There is no other sin quite like the sin of ingratitude.” We'll hear a special message from Pastor Rogers on the word “sacrifice,” and how it is used in Scripture. Psalm 107:21-22 states, “Let them give thanks to the Lord for His unfailing love and His wonderful deeds for mankind. Let them sacrifice thank offerings and tell of His works with songs of joy.” Be reminded that we must not take the Word of God lightly! We need to be grateful for all we have, especially as we prepare to celebrate Thanksgiving Day here in America.

HOST: DR. JAMES DOBSON - GUEST(S): BOB VANDER PLAATS - DECEMBER 04, 2023

Some of life's greatest lessons are born out of seemingly insurmountable circumstances. Dr. James Dobson sits down with Bob Vander Plaats to celebrate the life of his son, Lucas, who, despite being born with severe disabilities, brightened the lives of everyone he came in contact with. Though Lucas went home to be with the Lord in 2021, Bob and his wife, Darla, thank God every day for the gift of their son.

HOST: DR. JAMES DOBSON - GUEST(S): BOB VANDER PLAATS - DECEMBER 05, 2023

What if you were told that your newborn child might only have two days, two weeks or two years to live? It would be a real “when God doesn't make sense” moment that would bring you to ask, “Why me, Lord?” Dr. James Dobson continues his heartfelt conversation with Bob Vander Plaats. He recounts the journey that he and his wife, Darla, went on, raising a baby, then a boy, and finally a young man who was severely disabled and in need of full-time care. - NOVEMBER 10, 2023**

Millions of men and women have lost their lives preserving and protecting our God-given rights as Americans. On this special edition of Family Talk, you will hear a sobering radio drama of stories and first-hand accounts of soldiers who fought bravely for our nation's freedom. HOST: DR. JAMES DOBSON - GUEST(S): ERIC METAXAS - NOVEMBER 13, 2023

In Scripture, Jesus commands Christians to go out and make disciples of all nations. Author Eric Metaxas gives an empowering presentation and urges Americans to wake up and preach the whole counsel of God. In a time where good is called evil, and evil is called good, now is the time for the Church to awaken and take her rightful place.

HOST: DR. JAMES DOBSON - GUEST(S): ERIC METAXAS - NOVEMBER 14, 2023

Author Eric Metaxas concludes his riveting message about America and what makes her great! Eric also warns that much like Gulliver in the land of the Lilliputians, we may possess the ability to crush the enemy, but if we are caught sleeping too long, we will be bound into submission by the moral decay that is sweeping our nation. James 2:26 says, "As the body without the spirit is dead, so faith without deeds is dead."

HOST: DR. JAMES DOBSON - GUEST(S): LT. GEN. (RET.) JERRY BOYKIN - DECEMBER 07, 2023

According to Lt. Gen. (Ret.) Jerry Boykin, America's military is in a steep decline. Sadly, it has been transformed by secular politics. Lt. Gen. (Ret.) Boykin explains that for every minute that young recruits are indoctrinated with the "woke" ideology, they're spending

less time in training to defend our country. Consequently, fewer young people are joining the military. The time is long overdue for our armed forces to be restored back to greatness.

HOST: DR. JAMES DOBSON - GUEST(S): LT. GEN. (RET.) JERRY BOYKIN - DECEMBER 08, 2023

Did you know that all branches of the U.S. military are struggling to recruit young people to serve our country? Or that the U.S. Army missed their goal this year by 15,000 soldiers? Lt. Gen. (Ret.) Jerry Boykin continues speaking on the moral decline in America's armed forces and its dangerous effect. Due to the focus and embrace of political "woke" ideology, this decorated warrior states that there are too many soldiers who are ill-equipped today for the rigors of combat.
