Have you heard of East TN Referral Group? I just thought it would be a great group to get involved in and meet some people.

We are a group of business owners from the East TN area that have joined together to help each other build a stronger business community. By giving each other referrals we can grow our business. We meet once a month for coffee, and each member tells about themselves, and their business. We exchange cards so we can give them to people we may meet that might need the service or product of another
