[To be broadcast on the first (1st) and sixteenth (16th)

On July 25, 2005, Station KSEM's renewal application was granted by the Federal Communications Commission to serve the public interest as a public trustee until August 1, 2013.

Our license will expire on August 1, 2013. We must file an application for renewal with the FCC by April 1, 2013. When filed, copies of our application will be available for public inspection during our regular business hours. The application will contain information concerning the station's performance during the last eight years.

Individuals who wish to advise the FCC of facts relating to our renewal application and to whether the station has operated in the public interest should file comments and petitions with the FCC by July 1, 2013.

Further information concerning the FCC's broadcast license renewal process is available at
105 N.W. 11th St., Seminole, TX 79360
[location of station public inspection file] or may be obtained from the FCC, Washington, D.C.,
